

# General Education Requirements

Undergraduate general education requirements vary based on the college. This table is intended to be used for comparative purposes between colleges. Some colleges and some programs of study do not have undergraduate general education requirements; others have general education requirements specific to an individual program of study, like those in Carver College of Medicine. Check each program of study's page in the catalog for program-specific requirements. World language graduation requirements by college can be found following this table.

**General Education Requirements by College**

	College of Liberal Arts and Sciences	College of Public Health	Tippie College of Business	College of Education	College of Nursing	University College of Engineering
Approved Course Subject						X
Business/Management						BAS only
Critical Thinking						BLS only
Understanding Cultural Perspectives	X	X	X	X		See "Cultural Perspectives, Values, and Society" on Bachelor of Science in Engineering page
Engineering Be Creative						X
Historical Perspectives	X	X	X
