### **INTL:3537 Virtual International Business in Italy** arr.

Unique look at current regional business and culture in Northern Italy; exploration of financial implications of pandemics, as well as culture and education in Northern Italy; interactive experience involving live lectures, networking with partners in Italy, and hands-on elements. Requirements: good academic and disciplinary standing, minimum 2.75 UI and cumulative GPA, sophomore or higher standing, minimum of 30 s.h. completed prior to program, and completion of FIN:3000 or approval of program director.

### **INTL:3542 Virtual Introduction to Global Business** arr.

Virtual study abroad experience; exploration of the business atmosphere and particular considerations of a region, including briefings from leading businesses in the region and cultural activities; specific region varies. Requirements: 2.75 UI and cumulative GPA, and good academic and disciplinary standing. Recommendations: completion of ECON:1100.

### **INTL:4515 USAC Global Virtual Internship** arr.

Exploration of future career interests by working online with businesses and organizations based at locations around the world; includes an online course component to learn how culture is reflected in workplace and develop skills necessary for success in the global workforce; virtual internships arranged with local companies, nongovernmental organizations (NGOs), and governmental organizations based abroad; administered by the University Studies Abroad Consortium (USAC) of which the University of Iowa is a member. Requirements: minimum 2.50 GPA and good academic and disciplinary standing.

### **INTL:4525 SIT Virtual Global Internship** arr.

Distance learning that centers around a theme and includes an online internship with a community organization, research or medical organization, business, government agency, or nongovernmental organization (NGO) based outside of the United States; students gain valuable experience and enhance their skills in a professional environment related to core program themes; students are responsible for making optimal use of resources available at the organization and being proactive in engaging with experts to achieve internship objectives. Requirements: minimum 2.50 GPA and good academic and disciplinary standing.

### **INTL:4530 CEA Virtual Internships Abroad Program** arr.

Placement with an organization or company based abroad while working remotely from student's home base in the United States; individualized placements based on student's interests and proposed career field; students complete an online seminar independently and through check-ins at their virtual internship placement. Requirements: minimum 2.50 GPA and good academic standing.

### **INTL:4535 TEAN Global Remote Internship** arr.

Real-world, international work experience in a variety of fields without travelling; four- or eight-week individual or group internship; students work on a project from start to finish for a company located in Australia or Asia and participate in an online seminar course; students learn about unique challenges and flexibility that being part of a remote team provides, as well as cultural information about the location where organization is based. Requirements: minimum 2.50 GPA and good academic and disciplinary standing.

### **INTL:4540 IES Virtual Global Internships** arr.

Exploration of future career interests working online with businesses and organizations based in locations around the world; virtual internships arranged by the University of Iowa's partner provider, International Education for Students (IES), with local companies, nonprofit governmental organizations (NGOs), and governmental organizations based abroad; virtual internships include an online course component to learn how culture is reflected in the workplace and develop skills necessary for success in the global workforce. Requirements: 2.50 GPA, sophomore or higher standing at time of application, and good academic and disciplinary standing.
