Orthodontics, M.S.

Requirements
The Master of Science program in orthodontics requires a minimum of 30 s.h. of graduate credit. Students must satisfactorily complete a thesis based on an original research project to qualify for the M.S. degree. For more information, contact the Department of Orthodontics.

Admission
Applicants must have a D.D.S. degree or equivalent and meet the admission requirements of the Graduate College. Application deadline is August 1 for entry the following July 1. Applicants are required to travel to the University of Iowa for interviews with department faculty.
