

Wind Energy

Chair, Department of Mechanical and Industrial Engineering

- Ching-Long Lin

Undergraduate certificate: wind energy

Website: <https://mie.engineering.uiowa.edu/certificate-wind-energy>

Wind energy has become a major source of clean energy and is expected to grow over the coming decades. That growth will create new jobs and a need for professionals who have diverse backgrounds and knowledge of wind energy fundamentals. The Certificate in Wind Energy program is interdisciplinary, integrating course work and faculty expertise from the Departments of Mechanical and Industrial Engineering, Civil and Environmental Engineering, and Electrical and Computer Engineering (College of Engineering) and the Department of Geographical and Sustainability Sciences (College of Liberal Arts and Sciences).
