## Courses

## Critical Cultural Competence Courses

### CCCC:2220 Foundations of Critical Cultural Competence

3 s.h.

Experiential and theoretical foundation; cultural competence as a concept and practice; conceptual frameworks and models for understanding cultural differences and similarities within, among, and between groups of people with whom others interact in their professional, personal, public, and private lives; appreciating differences while learning to be self-reflective; adjustment of perceptions, behaviors, styles for effective interaction with people from different ethnic, racial, sexual, gender, age, ability, and class groups. GE: Diversity and Inclusion.

### CCCC:4490 Integrative Seminar in Critical Cultural Competence

3 s.h.

Capstone course; application of knowledge to one's areas of study; community settings where cultural competence is required; challenges and benefits of behaving in culturally competent ways in varied contexts; review and critique of educational experiences in the certificate program; development of skills in community education related to cultural competence; group project to benefit the university and/or community; development of a plan to integrate critical cultural competence into careers. Requirements: completion of other required certificate courses.
