

International Relations

Chair, Department of Political Science

- Brian H. Lai

Undergraduate major: international relations (BA, BS)

Undergraduate minor: international relations

Faculty: <https://politicalscience.uiowa.edu/people/faculty>

Website: <https://politicalscience.uiowa.edu>

The undergraduate programs of study in international relations are administered by the Department of Political Science, which offers related BA and BS programs of study in political science. The department also offers the Certificate in Political Risk Analysis, and it collaborates with other departments to offer the Certificate in Social Science Analytics. The department additionally provides a number of courses that undergraduate students in all majors may use to fulfill GE CLAS Core requirements.
