c Graduate College program GPA is comprised of all courses that are approved degree requirements. If a student takes more than the minimum required number of semester hours to complete the degree, but all courses taken are eligible to count toward the degree, those courses will be included in the Graduate College program GPA.

d Students must complete JMC:5220, JMC:5225, JMC:5230, JMC:5235, JMC:5290; work with faculty advisor to determine required core coursework and sequence.

e Students may complete graduate elective coursework based on their specific career goals; electives (3000 level or above) may be taken from within the program or across the university. Work with faculty advisor to determine elective coursework and sequence.

f SJMC usually offers a JMC:5236 topics course in summer. Students may also opt to take an elective across the university.

a Most students take two courses per semester with some summer courses; program courses are offered online.

b Students must complete specific requirements in the University of Iowa Graduate College after program admission. Refer to the Graduate College website and the Manual of Rules and Regulations for more information.
