

Physics, Minor

Requirements

The undergraduate minor in physics requires a minimum of 15 s.h. in physics coursework, including 12 s.h. taken at the University of Iowa from the following course list. Students must maintain a grade-point average of at least 2.00 in all courses for the minor and in all UI courses for the minor. Coursework in the minor may not be taken pass/nonpass. CLAS minors may only be earned concurrent with or subsequent to earning a University of Iowa bachelor's degree. They cannot be granted as standalone credentials or as the sole program of study completed at the University of Iowa.

Course #	Title	Hours
12 s.h. from these:		
PHYS:1612	Introductory Physics II	4
or PHYS:2703	Physics III	
PHYS:2704	Physics IV	3-4

Physics courses numbered 3000 or above

Both PHYS:2703 Physics III and PHYS:2704 Physics IV have prerequisites, as do most physics courses numbered 3000 or above. Students must complete a course's prerequisites before they may enroll in the course.
