

Political Science, MA

Requirements

The Master of Arts in political science requires a minimum of 30 s.h. of graduate credit, with a Graduate College program grade-point average of at least 3.25. No thesis or oral exam is required.

Students take 30 s.h. of UI courses numbered 3000 or above; a minimum of 16 s.h. of that coursework must be in political science (prefix POLI) courses numbered 3000 or above.

A first-year evaluation committee convenes at the end of a PhD student's first year of courses; if the committee finds that the student's work provides sufficient evidence of the research and writing skills ordinarily demonstrated in a master's thesis, it may recommend that the student be allowed to proceed with a doctoral program. When the first-year evaluation committee finds the quality of a student's work inadequate for recommending continuation toward the PhD, the committee may recommend that the student be permitted to seek the MA without thesis as a terminal degree.
