Healthcare Management, Graduate Certificate

Requirements

The graduate Certificate in Healthcare Management requires a minimum of 15 s.h. of graduate credit. Students must maintain a cumulative g.p.a. of at least 3.00 in order to earn the certificate. The required courses provide foundational business and leadership skills to physicians, nurses, other clinicians, and managers.

Students complete five health care courses from the Master of Health Administration (M.H.A.) curriculum over a period of 15 months. Courses are offered in five-week blocks at University of Iowa campuses in Iowa City and Des Moines. Enrollment is limited to 10 students.

The Certificate in Healthcare Management requires the following course work.
