The University of Iowa sponsors or cosponsors a wide variety of study abroad programs in approximately 50 countries. Students may choose from summer, fall or spring semester, academic year, and winter session programs that complement and extend the University's academic programs across the curriculum.

Students also may participate in study abroad programs sponsored by other accredited U.S. and foreign institutions. They should obtain advance approval of all transfer credit by completing a Study Abroad Credit Approval Form.

Information on University of Iowa and other study abroad programs is available from Study Abroad.
