

# Finance, MS

The Master of Science in finance program is a three-semester, STEM-designated program. Students have the opportunity to enroll in a combined degree program with the MS in business analytics program, and current University of Iowa undergraduate students may apply to a combined undergraduate degree/MS graduate degree program. For more information, see Combined Programs [p.       ] in this section of the catalog.

## Learning Outcomes

### Core Competency

- Students acquire and exhibit knowledge about fundamental financial concepts.

### Business Applications

- Students acquire and exhibit knowledge about applying financial concepts in business and financial markets.

### Communication

- Students effectively communicate finance solutions to business problems.

### Team Work

- Students demonstrate the ability to be effective team members in a complex and diverse world.
