

Regents Online Exchange

Coordinator

- Lon D. Moeller

The Regents Online Exchange is a course sharing pilot program between Iowa Regents institutions. It provides undergraduate students who are enrolled at Iowa State University (ISU) or the University of Northern Iowa (UNI) with access to a range of online course opportunities that may not be available through their home institutions. ISU and UNI students admitted to the University of Iowa can register for online courses that have been selected specifically as course sharing courses in the Regents Online Exchange program.
