EMT Paramedic Program

Emergency Medical Technology (EMT) Paramedic Program

Website: https://uihc.org/paramedic-education-program

This nationally accredited 1,200-hour program leads to
national and Iowa certification as a paramedic. The full-time
academy program which begins each spring, consists of 16
weeks of intensive classroom training at University of Iowa
Hospitals & Clinics, four to five days a week. A part-time
program which begins in the fall semester meets every third
weekday for two semesters and is based on a fire service
work schedule. A second segment consists of 320 hours
of supervised clinical experience in a hospital setting. The
third segment is a minimum of 360 hours of a supervised
paramedic field internship with a paramedic-level ambulance
service. Field internships are available at a number of
approved sites in Iowa.

Students obtain credentials in advanced cardiovascular life
support, advanced medical life support, geriatric education for
EMS, pediatric advanced life support, pediatric education for
prehospital professionals, and prehospital trauma life support.

The program is conducted twice each year. The full-time
academy begins in January and the part-time program begins
in August.

Goals

The goal of the University of Iowa Hospitals & Clinics
Emergency Medical Services Learning Resources Center
(EMSLRC) paramedic program is to prepare competent entry-
level paramedics in the cognitive (knowledge), psychomotor
(skills), and affective (behavior) learning domains.

Curriculum

The program adheres to the National Emergency Medical
Services Education Standards as defined by the National
Highway Traffic Safety Administration (NHTSA). Students
who successfully complete the program are eligible for the
National Registry paramedic examination.

All students enroll in the courses EMTP:3101 Emergency
Medical Technician - Paramedic I and EMTP:3102 Emergency
Medical Technician - Paramedic II.

Accreditation

The University of Iowa Health Care Emergency Medical
Services Learning Resource Center (EMSLRC) Paramedic
Program is accredited by the Commission on Accreditation
of Allied Health Education Programs (CAHHEP) upon the
recommendation of the Committee on Accreditation of
Educational Programs for the Emergency Medical Services
Professions (CoAEMSP).

The University of Iowa Health Care EMSLRC is approved by the
Iowa Department of Public Health Bureau of Emergency and
Trauma Services as an EMS training program (#018).

Undergraduate majors: medical laboratory science (B.S.);
nuclear medical technology (B.S.); radiation sciences (B.S.)
Undergraduate certificate: EMT paramedic program
Professional degrees: M.C.A.; M.C.N.; M.D.; M.P.A.
