

Doctor of Medicine, MD

Website: <https://medicine.uiowa.edu/md>

Combined Programs

Students must be admitted to both of the individual degree programs before they may be admitted to a combined degree program. Those interested in the combined programs must make arrangements with the appropriate departments and with the Carver College of Medicine associate dean for student affairs and curriculum.

MD/JD

The Carver College of Medicine and the College of Law offer the combined Doctor of Medicine/Juris Doctor program; see Juris Doctor, JD in the catalog.

MD/MBA

The College of Medicine collaborates with the Tippie College of Business to offer the combined Doctor of Medicine/Master of Business Administration. For more information about the MBA, see the Iowa MBA in the Master of Business Administration, MBA section of the catalog.

MD/MPH

The College of Medicine collaborates with the College of Public Health to offer the combined Doctor of Medicine/Master of Public Health program; see the Master of Public Health, MPH in the catalog.

MD/PhD (Medical Scientist Training Program)

The Carver College of Medicine offers a combined MD/PhD program for students who are interested in a career that combines clinical and academic medicine with basic and clinical research; see the Medical Scientist Training Program in the catalog.
