

# Molecular Physiology and Biophysics

## Chair

- Kevin P. Campbell

## Executive Associate Chair

- W. Scott Moye-Rowley

**Faculty:** <https://physiology.medicine.uiowa.edu/profile/>

**Website:** <https://physiology.medicine.uiowa.edu/>

## Programs

## Graduate Programs of Study

- Master of Science in Molecular Physiology and Biophysics
- Doctor of Philosophy in Molecular Physiology and Biophysics

Students interested in doctoral studies in molecular physiology and biophysics should apply under the umbrella program in Biomedical Science (select molecular physiology and biophysics subprogram). Direct applications to the MS and PhD in molecular physiology and biophysics are not currently being considered.
