Study Abroad Courses (ABRD)

ABRD Courses

This is a list of courses with the subject code ABRD. For more information, see Study Abroad (University College) in the catalog.

ABRD:3010 Iowa Regents in Wales: Swansea University **arr.**
Swansea University in Wales, UK; students take regular university coursework in humanities, social sciences, physical sciences, business, and engineering. Semester or academic year. Requirements: 3.00 minimum GPA, good academic and disciplinary standing, and sophomore or higher standing.

ABRD:3011 Iowa at Oxford **arr.**
Unique opportunity to spend an academic year fully matriculated at the University of Oxford; students enroll in a wide range of courses at Mansfield College, one of 38 colleges that make up the University of Oxford; as an Oxford student, participants take part in Oxford's personalized tutorial system, attend lectures, share accommodations with local students, and become fully immersed in the social and academic culture of one of the mostly highly regarded academic institutions in the world. Requirements: 3.70 GPA, sophomore standing, and good academic and disciplinary standing.

ABRD:3012 Iowa Regents in Scotland: University of Edinburgh **arr.**
Advanced undergraduate study at the University of Edinburgh; humanities, social sciences, science, engineering. Fall and/or spring. Requirements: GPA of at least 3.00.

ABRD:3013 IES London: Study London **arr.**
Coursework in international economics, finance, management, creative and performing arts, literature, communications, cultural studies, and political science, as well as a huge variety of credit-bearing internship and service learning opportunities; option to enroll directly in a local British university; the IES Study London program provides a unique opportunity to engage in all aspects of contemporary British society; students combine coursework with study outside the classroom to explore the rich heritage of the United Kingdom, as well as its contemporary social, economic, and political culture. Requirements: 2.75 GPA and good academic and disciplinary standing.

ABRD:3014 IES London Health Practice and Policy **arr.**
Focus on issues of international comparative health; based in London, United Kingdom, with final days spent in the Caribbean for comparative analysis of health policies; ideal for students focusing on preprofessional medical studies, public health, anthropology, pre-nursing, and sociology. Requirements: 3.00 GPA and good academic and disciplinary standing.

ABRD:3016 IES London, United Kingdom Today **arr.**
Unique opportunity to engage in all aspects of contemporary British society; courses in international business, management, literature, communications, cultural studies, film studies, political science, and sociology; students combine coursework with study outside the classroom, and explore the rich heritage of the United Kingdom as well as its contemporary social, economic, and political culture. Requirements: 2.75 GPA and good academic and disciplinary standing.

ABRD:3017 IES London: University College London **arr.**
Unique opportunity to directly enroll at the University College London, one of the top-ranking universities in the world; students live and study with their British peers in the heart of London while choosing from a huge variety of courses in biology, chemistry, engineering, economics, English, fine art, global health, history, management, and many other popular majors; students are fully immersed in British culture and truly learn what it's like to be a Londoner through engagement with locals and taking advantage of IES field trips around the country. Semester or academic year. Requirements: good academic and disciplinary standing, GPA of at least 3.30 (3.70 to enroll in economics courses, 3.50 to enroll in English or management courses); and junior or senior standing.

ABRD:3018 Creativity, Imagination, and Play in London **arr.**
Students learn about art, culture, and human development through an exploration of London and nearby sites; use of rich museums, galleries, architecture, food, and community organizations of Britain to investigate how art and culture are produced through tours, making, visual journaling, and site-specific play; for preservice teachers, artists, and designers who want to incorporate global perspectives into their practices. Requirements: 3.00 GPA, and good academic and disciplinary standing. Recommendations: enrollment in teacher education, education studies and human relations, or art/design program.

ABRD:3020 London Performance Study **arr.**
Selected theater productions, lectures, performances, discussions, written exercises, workshops, cultural activities. Credit may be applied toward a University of Iowa major in English or theatre arts. Summer.

ABRD:3025 International Business in London **arr.**
Study of the international business environment in one of the world's financial capitals; may count toward undergraduate business major or Certificate in International Business. Winter. Prerequisites vary depending on classes being offered. Requirements: junior standing.

ABRD:3026 IES Internships London **arr.**
Real-world experience combined with professional skill building and cultural immersion; interning full time in student's chosen field. Eight weeks in summer. Requirements: 2.50 GPA, junior or higher standing, and good academic and disciplinary standing.

ABRD:3028 Shakespeare's England **arr.**
Students go out into the streets, museums, theatres, and even forests of London to see the way the city inspired and continues to inspire some of the greatest writing in English; London is a center of modern film industry and a capital of international finance and technology, yet Shakespeare and Chaucer would still be able to recognize the shape of many of its winding streets; students get to know Shakespeare's England through readings, writings, and performances. Requirements: 2.75 GPA, and good academic and disciplinary standing.

ABRD:3030 Iowa Regents in Ireland: University College Cork **arr.**
Regular coursework in all disciplines at University College Cork in Ireland. Fall and spring semesters. Requirements: sophomore standing and GPA of at least 3.00.

ABRD:3031 IES Internships Dublin **arr.**
Real-world experience combined with professional skill building and cultural immersion; interning full time in chosen field. Eight weeks in summer.

ABRD:3034 STEM and Irish Studies in Dublin arr.
Science, technology, engineering, and mathematics (STEM) students from Big Ten schools study together in Dublin; courses include introductory physics II with lab, and a course on Irish history and culture. Requirements: major in a STEM field, 3.00 GPA, good academic and disciplinary standing, and completion of MATH:1550, MATH:1560, and 4 s.h. of PHYS:1611.

ABRD:3035 Irish Writing Program arr.
Dublin, Ireland; writing workshops directed by Irish writers, literature courses taught by faculty. Summer.

ABRD:3036 IES Dublin Irish Studies: History, Politics and Social Change arr.
Offering coursework in economics, entrepreneurship, management, creative writing and literature, communications, cultural studies, and political science, as well as a huge variety of credit-bearing internship and service learning opportunities, the IES Dublin Irish Studies program addresses all aspects of contemporary Irish society; students combine coursework with study outside the classroom for the opportunity to discover the rich heritage of Ireland and its contemporary, social, economic, and political culture. Requirements: 2.75 GPA and good academic and disciplinary standing.

ABRD:3037 IES Dublin: Trinity College Dublin arr.
Unique opportunity to enroll at Trinity College Dublin; students live and study with their Irish peers while choosing from a huge variety of courses in biology, business, chemistry, drama and film, English, engineering, economics, Irish language, psychology, and many other popular majors; students are fully immersed in Irish culture and truly learn what it's like to be a Dubliner through engagement with locals, taking advantage of IES field trips around the country, and enrolling in one of Ireland's oldest and finest institutions. Semester or academic year. Requirements: 3.30 GPA, good academic and disciplinary standing, second-semester sophomore or higher standing at time of participation, and at least one year of successful coursework at the UI or another bachelor's-degree granting institution.

ABRD:3038 IES Dublin: Gaiety School of Acting arr.
Unique opportunity to directly enroll at the National Theatre School of Ireland's Gaiety School of Acting; students become engaged in intensive, conservatory-like training in acting for theatre, film, and television at Ireland's premier acting school; situated in the heart of Dublin and offers a rare chance to be fully immersed in Irish social and academic culture at a world-class institution focusing specifically on performance art. Semester or academic year. Recommendations: 2.75 GPA, theatre arts major or minor, and good academic and disciplinary standing.

ABRD:3039 IES Dublin Writers Program arr.
Study of contemporary Irish authors, as well as those of the past, this writers program is designed to inspire and challenge writers to elevate their skills to the next level; Dublin is a city that caters to the lovers of all things literary with vibrant and varied literary and visual arts scene, an abundance of eclectic bookshops, and quirky cafés; managed by the Institute for the International Education of Students (IES) Abroad. Requirements: clear interest and commitment, demonstrated preparedness/maturity, minimum 2.75 GPA, good academic and disciplinary standing, and completion of at least one semester of college-level study.

ABRD:3040 IES Dublin: Dublin City University arr.
Dublin City University (DCU) offers a wide variety of challenging courses; the program appeals primarily to students who are ready for the challenge of adapting to an entirely new academic culture that requires significant independent work. Requirements: clear interest and commitment, demonstrated preparedness/maturity, minimum 3.00 GPA, good academic and disciplinary standing, completion of at least one semester of college-level study, and 18 years of age.

ABRD:3042 CIEE Summer in London arr.
London, England; two courses varying by year and by session; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member. Six weeks in summer. Requirements: 2.50 minimum GPA and good academic and disciplinary standing.

ABRD:3044 IES Internships Vienna arr.
Real-world experience combined with professional skill building and cultural immersion; full-time internship in student's chosen field in Vienna, Austria. Requirements: 2.50 GPA, junior or higher standing, and good academic and disciplinary standing.

ABRD:3045 Academic Year in Freiburg arr.
Combination of special program classes, German for foreigners, and regular degree coursework in most liberal arts subjects at Albert-Ludwigs University, Freiburg, Germany. Academic year. Requirements: at least four semesters college German with GPA of at least 3.00.

ABRD:3046 IES Internships Berlin arr.
Real-world experience combined with professional skill building and cultural immersion; eight weeks over the summer interning full time in the student's chosen field. Requirements: two semesters of college-level German, 2.50 GPA, junior or higher standing, good academic and disciplinary standing; non-U.S. passport holders should verify eligibility for German visa prior to application.

ABRD:3048 USAC Luneburg Program arr.
The Lüneburg program is ideal for students interested in learning German language and focus on European Studies —specifically Germany's role within the European Union; students greatly expand their language skills and knowledge of German society through formal coursework and personal interaction with host culture. Requirements: good academic and disciplinary standing at time of application and through departure, and minimum UI and cumulative GPA of 2.50.

ABRD:3049 Sustainable Chemistry arr.
Chemistry topics central to questions and research of sustainability (e.g., urbanization, biodiversity, conservation and climate change, adaptation and mitigation) and the Rhine region of Germany, Switzerland, and France recognized as being at the forefront of advancement in these areas; the Rhine River Valley at the heart of industrial and urban sustainability efforts in Europe provides an ideal opportunity to collaborate with industry and academic leaders in sustainable chemistry. Requirements: 2.75 GPA, and good academic and disciplinary standing. Recommendations: completion of CHEM:1120 with a minimum grade of C-.

ABRD:3050 IES Freiburg European Union arr.
Students live and learn about European politics, economics, business, and international relations; courses taught in English (e.g., global leadership, political science); exposure to the European Union and beyond. Requirements: 2.75 GPA and good academic and disciplinary standing.

ABRD:3051 CIEE Berlin Open Campus arr.
Berlin, Germany; selection of courses from seven academic tracks; block-schedule courses in English; combination of traditional lectures with cocurricular excursions and activities; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member. Requirements: 2.50 GPA and good academic and disciplinary standing.

ABRD:3052 IES Vienna arr.
Offering a wide range of academic coursework taught by IES faculty at their student center, the IES Vienna program is a good choice for students pursuing coursework related to business, economics, political science, international relations, music, and psychology; students enroll in a required German language class (no previous German language experience required) and additional courses taught in English or German. Semester. Requirements: good academic and disciplinary standing, sophomore or higher standing, minimum 2.75 GPA.

ABRD:3053 (Re)tracing Anne Frank: Living, Fleeing, Hiding, and Writing arr.
Students familiarize themselves with Anne Frank's life and legacy by following in her footsteps in Amsterdam, where she hid when life in Germany became too dangerous; gain insights into the Netherlands during WWII and the Nazi occupation; learn from and honor young people who continue to express themselves during times of struggle; and develop a greater awareness of global conflicts so they can harness their voice to address important concerns. Requirements: Students must be in good academic and disciplinary standing, 2.75 minimum GPA.

ABRD:3054 CIEE Summer in Berlin arr.
Berlin, Germany; two courses taught in English, varying by year and by session; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member. Six weeks in summer. Requirements: 2.50 minimum GPA and good academic and disciplinary standing.

ABRD:3055 SIT Switzerland International Studies and Multilateral Diplomacy arr.
Opportunity to gain language proficiency and learn how to conduct undergraduate field research abroad; concentration on exploration of a specific critical global issue. Requirements: good academic and disciplinary standing, 2.50 GPA, and emotional maturity due to subject matter.

ABRD:3056 IES Vienna Summer Psychology arr.
Coursework in psychology and an optional German-language course; live in shared or studio apartments. Six weeks in summer. Requirements: minimum 2.50 GPA, second-year or higher standing, and good academic and disciplinary standing.

ABRD:3057 IES Vienna Summer Music History and Performance arr.
Opportunity for serious study of music in Vienna; courses in music history, performance studies, and/or German language; appropriate for voice or instrumental music students; live in studio or shared apartments. Summer. Requirements: minimum 2.50 GPA, second-year or higher standing, good academic and disciplinary standing, at least one year of study of music theory, and the ability to read music and follow a score. Recommendations: This program is most appropriate for music majors and minors.

ABRD:3058 CIEE Tallinn Summer Global Internship arr.
English-speaking internship in Tallinn; CEII Summer Global Internship programs combine full-time internship with an integrated academic seminar to provide professional exploration and specific skills development; placement based on career goals; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member. Summer. Requirements: minimum 2.50 GPA and good academic and disciplinary standing.

ABRD:3062 CIEE Paris Critical Studies Program arr.
Analysis of literature, film, and other forms of visual expression through use of contemporary critical theory; interaction among fields of literature, aesthetics, and psychoanalysis; examination of problems involved in such analysis; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member; for students with advanced French language skills. Requirements: 3.00 cumulative GPA, five semesters of college-level French, and previous coursework in relevant fields.

ABRD:3063 CIEE Paris Open Campus arr.
Combines an interdisciplinary academic program on contemporary French society and culture (taught in French or English) with opportunity to develop strong language skills; contemporary social issues in politics, Francophone cultures, and Muslim communities in Europe; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member; for intermediate-level French students. Requirements: 2.75 cumulative GPA and good academic and disciplinary standing.

ABRD:3064 CIEE Rennes Liberal Arts Program 12 s.h.
Increase language ability and knowledge of France and French culture; opportunity to take regular university classes alongside French students; intensive language and humanities coursework; cultural activities; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member; for intermediate or advanced intermediate students. Requirements: 2.75 cumulative GPA, 3.00 GPA in French language, and four semesters of college-level French.

ABRD:3066 CIEE Paris Global Institute Summer Program arr.
Students take courses in several different disciplines; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member. One, two, or three four-week summer sessions. Requirements: 2.75 GPA and four semesters of college-level French.

ABRD:3069 USAC Lyon Program arr.
Intensive French language beginning with second-year French; additional courses in French culture, history, art, politics, and other disciplines are taught in both French and English. Requirements: GPA of at least 2.50, good academic and disciplinary standing, and completion of two semesters of college-level French or equivalent.

ABRD:3070 USAC Pau arr.
Beginning through advanced French language study at the University of Pau; additional courses in French culture, literature, politics, history, and other disciplines. Taught in English and French; no previous study of French required. Requirements: GPA of at least 2.50.

ABRD:3074 IES Internships Paris arr.
Real-world experience combined with professional skill building and cultural immersion; interning full time in student's chosen field. Eight weeks in summer. Requirements: four semesters of college-level French, 2.50 GPA, junior or higher standing, and good academic and disciplinary standing.

ABRD:3075 CEA CAPA Paris: Summer Internship arr.
Students spend a summer immersed in Parisian culture and gain valuable hands-on skills in an international internship in one of Central Europe's economic and cultural capitals; placement in an organization or company that aligns with professional and academic goals; building a network of contacts while gaining hands-on international experience that employers value; CEA internship program includes personalized internship placement and academic courses; internship work schedules may vary depending on industry standards in career field. Requirements: minimum 2.75 GPA, first-year or higher standing at time of application, and good academic and disciplinary standing. Recommendations: French language skills encouraged but not required.

ABRD:3076 Paris on Film arr.
Overview of milestones in French cinema through the lens of diverse cinematic representations of Paris and the evolving cultural and social relationship between the city and cinema. While in Paris, students expand their understanding of a French film with a visit to a related location. Requirements: sophomore standing or above, UI and cumulative GPA of 2.75 or above, good academic and disciplinary standing.

ABRD:3083 USAC Torino Program arr.
Academic coursework, practical learning, tours, site visits, and integrated cultural experience; content in diverse academic areas of business, architecture, and Italian studies; Italian language courses; administered by the University Studies Abroad Consortium (USAC) of which the University of Iowa is a member. Semester, summer, or academic year. Requirements: 2.50 GPA and appointment with Italy study abroad advisor prior to application.

ABRD:3084 USAC Viterbo Program arr.
Academic coursework at Viterbo's historical Tuscia University of Viterbo; practical learning, tours, site visits, and integrated cultural experience; high-quality educational experience in art history and Italian studies; Italian language course; administered by the University Studies Abroad Consortium (USAC) of which the University of Iowa is a member. Semester, academic year, or five-week summer session. Requirements: 2.50 GPA, good academic standing, and appointment with Italy study abroad advisor prior to application.

ABRD:3086 USAC Verona Program arr.
Language study and additional coursework in English or Italian; administered by the University Studies Abroad Consortium (USAC) of which the University of Iowa is a member. Summer, semester, or academic year. Requirements: 2.50 GPA and good academic and disciplinary standing.

ABRD:3087 USAC Reggio Emilia Program arr.
Language study and additional coursework in English or Italian; administered by the University Studies Abroad Consortium (USAC) of which the University of Iowa is a member. Summer, semester, or academic year. Requirements: 2.50 GPA and good academic and disciplinary standing.

ABRD:3088 CIMBA Italy Program arr.
Coursework in business and related disciplines in the Veneto region of Italy, taught in English. Four weeks in summer or 13-week semesters.

ABRD:3089 IES Internships Rome arr.
Real-world experience combined with professional skill building and cultural immersion; interning full time in the student's chosen field. Eight weeks in summer. Recommendations: 2.50 GPA, junior or higher standing, and good academic and disciplinary standing.

ABRD:3090 IES Internships Milan arr.
Real-world experience combined with professional skill building and cultural immersion; interning full time in student's chosen field. Eight weeks in summer. Requirements: 2.50 GPA, junior or higher standing, and good academic and disciplinary standing.

ABRD:3091 IES Milan arr.
Offering coursework in liberal arts, social sciences, business, and music, the IES Abroad Milan program addresses all aspects of contemporary Italian society; students have the opportunity to take classes at one of six local partner universities or enroll in a part-time internship for credit. Requirements: 2.75 GPA and good academic and disciplinary standing.

ABRD:3092 IES Rome arr.
Offering courses in art history, history, religious studies, and Italian, the IES Abroad Rome program focuses on full language immersion; students have the opportunity to take advantage of a part-time internship for credit. Requirements: 2.75 GPA and good academic and disciplinary standing.

ABRD:3094 Wells in Florence: Lorenzo de' Medici arr.
Rich and varied curriculum of courses located in Florence, Italy. More than 250 courses available; courses taught in English. Requirements: 2.80 GPA and good academic and disciplinary standing.

ABRD:3095 CEA CAPA Florence: Santa Reparata International School of Art (SRISA) arr.
Students are challenged to transform their Italian experience into art through printmaking, fashion design, painting, drawing, and more; close instruction by practicing artists encourage contemporary work in response to Florentine traditions; designed for art and non-art majors. Requirements: 2.50 GPA and good academic and disciplinary standing.

ABRD:3096 International Business in Italy arr.
Italy is used as the local environment to learn about the history of the European Union, development of the eurozone, and financial and political challenges being addressed therein; students explore how current economic and political decisions in Europe will drive the future of the worldwide economy. Requirements: 2.75 minimum UI and cumulative GPA, minimum of 30 s.h. completed prior to the program; sophomore or higher standing, and completion of FIN:3000.

ABRD:3097 European Ceramics Studio arr.
Students gain experience working in international studio settings in Europe; travel to designated sites, completion of original artwork, attendance at lectures, visits to relevant historic and contemporary sites, and working collaboratively with a studio team of peers and mentors to learn fabrication methods relevant to production of original works of ceramic art. Requirements: art major with experience in ceramics, minimum UI and cumulative GPA of 3.00, and good academic and disciplinary standing. Recommendations: CERM:2010.

ABRD:3099 CEA CAPA Florence: Study in Florence arr.
Education in a variety of disciplines such as business, communication, fine arts, gender studies; humanities courses; Italian language courses at all levels. Requirements: 2.50 minimum GPA, good academic and disciplinary standing.

ABRD:3101 CEA CAPA Florence: Summer Study in Florence arr.
Education in a variety of disciplines such as business, communication, fine arts, gender studies; humanities courses; Italian language courses at all levels. Summer. Requirements: minimum 2.50 GPA and good academic and disciplinary standing.

ABRD:3102 CEA CAPA Florence: Summer Internship arr.
English-speaking international internship in Florence; internship at a local host organization, combined with a global internship course; progress toward academic degree while developing skills in the workplace; accommodation for all majors into appropriate internships. Summer. Requirements: minimum 2.50 GPA, second-year or higher standing, and good academic and disciplinary standing.

ABRD:3120 Regents Hispanic Institute arr.
Study of Spanish language and culture in Valladolid, Spain. Six weeks in summer. Requirements: four semesters of college-level Spanish.

ABRD:3121 Cultures of Spain 3 s.h.
Study abroad in Madrid, the geographic and sociocultural center of Spain; overview of heterogeneous cultural landscape of Spain through interdisciplinary approach to its history; special attention given to conflict between two antagonistic national projects—one that understands Spain as a homogeneous entity and historically based on authoritarian forms of government, Catholic faith, and centralistic culture, and one that advocates for a plural conception of the country and emphasizes a liberal government, tolerance, and cultural diversity. Four weeks. Requirements: 2.50 cumulative GPA and good academic and disciplinary standing.

ABRD:3135 CIEE Portugal Program arr.
Intensive Portuguese language study (beginning to advanced levels) and area studies courses taught in English at Lisbon's Universidade Nuova; regular university courses are available to semester students with sufficient language proficiency. Summer, semester, or academic year. Requirements: GPA of at least 2.75.

ABRD:3137 CIEE Lisbon Business and Culture arr.
Incorporation of intensive Portuguese language study (beginning to advanced levels) with business and elective courses taught in English at a Council on International Educational Exchange (CIEE) or a host university; regular university courses are available to students with sufficient Portuguese language proficiency. Requirements: minimum 2.50 GPA and good academic and disciplinary standing.

ABRD:3140 Anatolia American University Semester arr.
Undergraduate studies in varied academic disciplines (business, history, international relations, psychology, fine arts, literature, philosophy, modern Greek language) at Anatolia American University. Taught in English.

ABRD:3142 Greece: Origins of Humanistic Counseling arr.
Origins of humanistic psychotherapy through an experiential exploration of the history and topography of Greece; students gain a deeper understanding of the culture in which humanism originated, unique environmental factors that promote a humanistic worldview, and critically analyze the evolution of humanistic theory from its philosophical beginnings to its status as a leading theory in counseling and psychotherapy; physical exploration, reading, reflecting, and on-site lectures; designed for masters and doctoral students who have had an introduction to theories of counseling and psychotherapy. Requirements: sophomore or higher standing, 3.00 minimum GPA, and good academic and disciplinary standing. Recommendations: enrollment in a masters or doctoral program focusing on mental health (counseling, counseling psychology, couples and family therapy, social work) and prior exposure to counseling theory.

ABRD:3143 Writing Greece arr.
Creative writing program in Athens, Greece; exposure to ancient Greek literature and writings about Greece by various international travelers; these literary models are used to inspire original student writing about Greece including ancient and contemporary history, culture, people, and politics. Requirements: 2.75 GPA, sophomore or higher standing, positive evaluation of writing skills from a 4-6 page writing sample, and good academic and disciplinary standing.

ABRD:3144 City of Athens arr.
Ancient Athens from the Neolithic period to end of the Roman period; students study abroad and directly engage material remains and cultural aspects of the city to better understand ancient Athenian views on life and human experience through the objects they left behind. Requirements: 2.75 GPA, sophomore or higher standing, and good academic and disciplinary standing.

ABRD:3145 Ancient Perspectives, Modern Eyes arr.
Faculty-led exploration of Greece; students visit ancient sites including locations such as Athens, Delphi, Olympia, Mycenae, Delos, Santorini, and Crete; placement of ancient world views within a modern context in order to gain an appreciation for landscape, history, and significance of ancient Greece. Requirements: minimum 2.75 GPA, good academic and disciplinary standing, and sophomore or higher standing. Recommendations: honors standing, and related major or minor.

ABRD:3165 Archaeological Field Work Abroad arr.
Major archeology projects hosted at international excavation sites. Summer.

ABRD:3166 SIT Netherlands International Perspectives on Sexuality and Gender arr.
Examination of the intersections of gender and sexuality with race, class, and religion; highlights experiences of a growing number of postcolonial and post-migration subjects living in these intersections; how identity is affected by gender, sexuality, race, religion, and class, both as they are experienced and as they are perceived, apart from looking at theories and applications of gender, LGBT, and sexuality studies in activism. Requirements: 2.50 GPA, good academic and disciplinary standing, and previous college-level coursework or other preparation in sexuality and/or gender studies.

ABRD:3170 SIT Iceland Renewable Energy, Technology, and Resource Economics arr.
Opportunity to gain language proficiency and learn how to conduct undergraduate field research abroad; concentration on exploration of a specific global issue. Requirements: good academic and disciplinary standing, 2.50 GPA, and previous coursework in engineering, economics, environmental science or studies, or related fields.

ABRD:3180 CIEE Copenhagen Open Campus arr.
Students customize their experience by studying one of six academic tracks; courses taught in English by faculty drawn from higher education institutions across Denmark; traditional lectures are combined with cocurricular excursions and activities; the Council on International Educational Exchange (CIEE) administers the program on behalf of a consortium of which the University of Iowa is a member. Requirements: 2.50 GPA and good academic and disciplinary standing.

ABRD:3181 CIEE Summer in Copenhagen arr.
Students take one course during each four-week session; courses taught in English by faculty drawn from higher education institutions across Denmark and vary by session; the Council on International Educational Exchange (CIEE) administers the program on behalf of a consortium of which the University of Iowa is a member. Requirements: 2.50 minimum GPA and good academic and disciplinary standing.

ABRD:3201 CIEE Alcala Language and Culture Program 6,12 s.h.
Established in 1999, the CIEE Study Center at the Universidad de Alcala (Alcala de Henares, Spain) provides an academic program for students with a high- intermediate to advanced-level of Spanish; the summer program (established in 2008) consists of language and culture courses offered through the Institute; all courses offered in Spanish; many approved for Spanish majors, minors, and general education requirements, and may be approved for other degree requirements; 6 s.h. taken in each four-and-one-half-week session. Requirements: 2.75 cumulative GPA, 3.00 GPA in most recent Spanish course, four semesters of college-level Spanish, and valid passport at time of application.

ABRD:3202 CIEE Madrid Open Campus arr.
Students live and learn in Madrid, the dynamic capital city of Spain, and customize their experience by selecting courses from six academic tracks; block-schedule courses are taught in English and combine traditional lectures with cocurricular excursions and activities; the Council on International Educational Exchange (CIEE) administers the program on behalf of a consortium, of which the University of Iowa is a member. Requirements: 2.50 cumulative GPA and good academic and disciplinary standing.

ABRD:3205 CIEE Alicante Language and Culture Program arr.
Rapid progress in language skills while taking area studies courses related to Europe and Spain; linguistic development and cultural immersion promoted through housing in Spanish-speaking homes and supplementary visits and excursions; administered by the Council on International Education Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member. Semester or academic year. Requirements: 2.75 minimum GPA, three to four semesters of college-level Spanish, and valid passport at time of application.

ABRD:3206 CIEE Alicante Language and Culture Summer Program arr.
Development of Spanish language skills and knowledge of Spanish art, cinema, and culture in Alicante, Spain; linguistic development and cultural immersion through housing in Spanish-speaking homes, supplementary visits and excursions, content courses in Spanish, and direct enrollment at the University of Alicante; administered by the Council on International Educational Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member; for students with varying levels of Spanish. Summer. Requirements: 2.75 cumulative GPA, four semesters of college-level Spanish, and valid passport at time of application.

ABRD:3208 CIEE Alicante Liberal Arts Program arr.
Development of spoken and written Spanish language skills; linguistic development and cultural immersion promoted through housing in Spanish-speaking homes, supplementary visits and excursions, content courses in Spanish, and direct enrollment at the University of Alicante; administered by the Council on International Education Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member. Semester or academic year. Requirements: 2.75 minimum GPA, at least five semesters of college-level Spanish, and valid passport at time of application.

ABRD:3215 CIEE Barcelona Advanced Liberal Arts Program arr.
Development of fluency through direct enrollment in a wide range of regular university classes; classes taken alongside Spanish classmates who become friends and guides to the culture; dramatic improvement of Spanish language skills while living the language every day in the city and the university; for students with advanced Spanish language skills. Semester or academic year. Requirements: 3.00 minimum GPA, at least six semesters of college-level Spanish, and valid passport at time of application.

ABRD:3216 CIEE Barcelona Architecture and Design Program 12 s.h.
Exploration of the intersection of two fields in a city famous for its vibrant architecture and innovative design; courses offered by ELISAVA and CIEE allow a unique opportunity to collaborate in a joint core class alongside courses in student's track and Spanish language; administered by the Council on International Educational Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member. Requirements: 3.00 cumulative GPA and valid passport at time of application; for design track students —design or related major or minor and four semesters of college-level Spanish.

ABRD:3217 CIEE Barcelona Business and Culture Program arr.
Development of competency in Spanish language while studying issues related to business in Spain and the European Union, Spanish language and culture; company visits, excursions, and homestays or student residence option in the vibrant city of Barcelona contribute to students' cultural immersion and development of language skills; administered by the Council on International Educational Exchange (CIEE) on behalf of an academic consortium; designed for students with varied levels of Spanish. Semester or academic year. Requirements: 3.00 cumulative GPA; three semesters of microeconomics, macroeconomics, accounting, finance, management, or statistics; and valid passport at time of application.

ABRD:3218 CIEE Barcelona Economics and Culture Program 12 s.h.
Classes at a Spanish university for students with varying levels of Spanish and a strong background in economics; administered by the Council on International Educational Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member. Semester or academic year. Requirements: 3.25 cumulative GPA, three semesters of microeconomics or macroeconomics, one semester of calculus, and valid passport at time of application.

ABRD:3219 CIEE Barcelona Language and Culture Program 12 s.h.
Development of skills and competency in Spanish language while studying Spanish history, arts, politics, and culture; administered by the Council on International Educational Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member. Requirements: 3.00 cumulative GPA, junior standing, one to three semesters of college-level Spanish, and valid passport at time of application.

ABRD:3220 CIEE Barcelona Language and Culture Summer Program arr.
Rapid progress in language skills while taking language, culture, or business courses in Barcelona; administered by the Council on International Educational Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member; for students with varying levels of Spanish. Summer. Requirements: 2.75 cumulative GPA and four semesters of college-level Spanish.

ABRD:3221 CIEE Barcelona Liberal Arts Program arr.
Development of skills and competency in Spanish language while studying Spanish history, politics, and culture at Universitat Pompeu Fabra; cultural immersion and development of language skills through excursions and homestays or student residence option in the vibrant city of Barcelona; administered by the Council on International Educational Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member. Requirements: 3.00 cumulative GPA, junior standing, four semesters of college-level Spanish, and valid passport at time of application.

ABRD:3222 CIEE Barcelona Business and Culture Summer Program arr.
Business courses in English (with optional communicative Spanish) in Barcelona; administered by the Council on International Educational Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member. Requirements: minimum 2.50 cumulative GPA; two semesters of college-level microeconomics or macroeconomics, accounting, finance, management, marketing, or statistics; and good academic and disciplinary standing.

ABRD:3231 CIEE Madrid Liberal Arts Program arr.
Opportunity to matriculate in a combination of content courses in Hispanic studies, regular university courses, and short seminars while continuing to improve language skills and take advantage of the vibrant and rich cultural milieu of Madrid; linguistic development and cultural immersion promoted through housing in Spanish-speaking homes, and supplementary visits and excursions; administered by the Council on International Educational Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member; for independent, advanced-level students. Semester or academic year. Requirements: 3.00 minimum GPA, five or six semesters of college-level Spanish, and valid passport at time of application.

ABRD:3241 CIEE Palma de Mallorca Business and Tourism Program 12 s.h.
Study business, tourism, and hospitality alongside Spanish students in a direct enrollment environment with a global perspective in Palma de Mallorca; development of management skills for future leadership in the tourism and hospitality industry; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member. Requirements: 2.75 cumulative GPA and valid passport at time of application. Recommendations: two semesters of college-level Spanish.

ABRD:3242 CIEE Palma de Mallorca Language and Culture Summer Program arr.
Established in 2006, the CIEE Study Center at Universitat de les Illes Balears provides an academic summer program for students interested in tourism; development or improvement of Spanish language skills while learning about Spain and Europe; administered by the Council on International Educational Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member. Requirements: 2.75 cumulative GPA, four semesters of college-level Spanish, and valid passport at time of application.

ABRD:3250 CIEE Seville Advanced Liberal Arts Program arr.
Achievement of fluency in spoken and written Spanish; wide variety of academic fields to gain deeper understanding from a Spanish perspective; direct matriculation in university courses, homestays, local and overnight excursions, conversational exchange program, volunteer opportunities, and independent study options in Seville, Spain. Requirements: 3.00 cumulative GPA, 3.00 minimum GPA in Spanish courses, six semesters of college-level Spanish, and valid passport at time of application.

ABRD:3251 CIEE Seville Business and Society Program arr.
Opportunity to study business in an international context through a combination of coursework in Spanish business, society, and language; related field visits to Spanish companies; designed for highly motivated students of business with advanced-level Spanish skills at the University of Seville's Business School; unpaid internships may be available to students with advanced language ability; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member. Semester or academic year. Requirements: at least 2.75 GPA; five semesters of college-level Spanish; 6 s.h. of microeconomics, macroeconomics, accounting, finance, management, or statistics; and valid passport at time of application. Recommendations: good background in math/statistics to grasp the more theoretical focus of European business instruction.

ABRD:3252 CIEE Seville Business Internship Program 6 s.h.
Exposure to a professional workplace atmosphere in Seville, Spain for business students; administered by the Council on International Educational Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member. Eight weeks. Requirements: 2.75 cumulative GPA, five semesters of college-level Spanish, and valid passport at time of application.

ABRD:3253 CIEE Seville Communications, New Media, and Journalism Program arr.
Valuable hands-on experience in a multifaceted academic and professional environment; courses through CIEE and with Spanish students at the Universidad de Sevilla; may include CIEE classes offered through the Liberal Arts program; social and cultural immersion of participants in the host society through specialized projects and extracurricular activities; administered by the Council on International Educational Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member; for students considering a career in any communication environment. Requirements: 2.75 cumulative GPA, five semesters of college-level Spanish, and valid passport at time of application.

ABRD:3254 CIEE Seville International Business and Culture Program arr.
Spanish language improvement in Seville, Spain; courses in English, primarily in the field of international business; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member; for beginning to intermediate students. Semester or academic year. Requirements: 2.75 GPA, four semesters or less of college-level Spanish, and valid passport at time of application.

ABRD:3255 CIEE Seville Language and Culture Summer Program 3,6,9 s.h.
Development of Spanish language skills and exposure to Spanish culture through an intense immersion experience; courses in Spanish language and culture, conversational exchange program, homestay program, and local visits and excursions; administered by the Council on International Educational Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member. Three, six, or nine weeks. Requirements: 2.75 cumulative GPA, four semesters of college-level Spanish, and valid passport at time of application.

ABRD:3258 CIEE Seville Liberal Arts Program arr.
Achieve fluency in written and spoken Spanish; language acquisition and cultural immersion through housing in Spanish-speaking homes, involvement in volunteer opportunities, and conversation exchanges; courses at the CIEE Study Center, the University of Seville, and Pablo de Olavide University (UPO); administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member. Semester or academic year. Requirements: 2.75 cumulative GPA, five semesters of college-level Spanish, and valid passport at time of application.

ABRD:3261 CIEE Madrid Engineering and Society arr.
Spanish language and cultural studies combined with engineering coursework at the CIEE prestigious partner school, Universidad Carlos III de Madrid (UC3M); students gain insight into Spanish business culture and real-world work experience through internships; courses in arts and humanities, business and law, and engineering taught in English or Spanish; courses in aerospace, energy, or biomedical engineering taught in English; courses complemented with CIEE cocurricular activities and excursions outside the city to enhance classroom learning and provide intercultural understanding. Requirements: 3.00 GPA.

ABRD:3270 USAC Alicante Program arr.
Intensive language study in Alicante, Spain; up to two years of university language requirements may be met in one semester; additional courses taught in English or Spanish; administered by the University Studies Abroad Consortium (USAC) of which the University of Iowa is a member. Summer, semester or academic year. Requirements: 2.50 GPA and good academic standing.

ABRD:3271 USAC Valencia Program arr.
Study abroad program in Spain offers an opportunity to learn or improve on Spanish language and cultural knowledge; appropriate for all levels of Spanish, this program also offers a wide selection of STEM courses taught in English. Requirements: 2.50 GPA and good academic and disciplinary standing.

ABRD:3272 USAC Bilbao Program arr.
Intensive language study; up to two years of university language requirements may be met in one semester; additional courses taught in English or Spanish and include offerings in business and environmental sustainability; administered by the University Studies Abroad Consortium (USAC) of which the University of Iowa is a member. Summer, semester or academic year. Requirements: 2.50 GPA and good academic standing.

ABRD:3274 USAC Madrid Program arr.
Intensive language study; up to two years of university language requirements may be met in one semester; additional courses taught in English or Spanish; administered by the University Studies Abroad Consortium (USAC) of which the University of Iowa is a member. Summer, semester, or academic year. Requirements: 2.50 GPA and good academic standing.

ABRD:3276 USAC San Sebastian Program arr.
Intensive language study; up to two years of university language requirements may be met in one semester; additional courses taught in English or Spanish; administered by the University Studies Abroad Consortium (USAC) of which the University of Iowa is a member. Summer, semester, or academic year. Requirements: 2.50 GPA and good academic standing.

ABRD:3277 IES Internships Barcelona arr.
Real-world experience combined with professional skill building and cultural immersion; interning full time in student's chosen field. Eight weeks in summer. Requirements: 2.50 GPA, junior or higher standing, and good academic and disciplinary standing.

ABRD:3278 IES Barcelona arr.
Opportunity to enroll in a variety of Spanish or English language courses in several disciplines. Requirements: 2.75 GPA and good disciplinary and academic standing.

ABRD:3279 IES Granada Liberal Arts and Language arr.
Study abroad program for intermediate to advanced Spanish language students and Spanish majors. Requirements: 2.75 GPA, good disciplinary and academic standing, and two semesters of college-level Spanish for intermediate track or four semesters of college-level Spanish for advanced track.

ABRD:3280 Exploring Major Determinants of Health in Spain arr.
Explore the major determinants of health through a socioecological lens and compare them between Spain and the United States. Students gain an understanding of these health determinants and are challenged to consider ways in which they might be leveraged to promote public health. Requirements: minimum 3.00 GPA, sophomore standing or higher at the time of participation.

ABRD:3312 CIEE Buenos Aires Liberal Arts Program 12 s.h.
Critical appreciation of Argentina and its importance in Latin America from perspective of social sciences and humanities; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member; for advanced Spanish students with strong language preparation. Requirements: 2.75 cumulative GPA and six semesters of college-level Spanish. Recommendations: completion of Spanish language course in session prior to study abroad and college-level coursework in Latin American studies.

ABRD:3318 CIEE Santiago (Chile) Liberal Arts Program arr.
Special CIEE courses and direct enrollment with Chilean students in regular courses at the Pontificia Universidad Catolica de Chile and the Universidad de Chile; first-hand knowledge of contemporary issues and cultural patterns in Chile; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member. Semester or academic year. Requirements: 2.75 cumulative GPA and six semesters of college-level Spanish.

ABRD:3321 USAC Studies in Chile arr.
Intensive beginning-level Spanish language; advanced language, literature, civilization at third-year level; area studies. Some courses taught in English. Requirements: GPA of at least 2.50.

ABRD:3324 CIEE Monteverde Tropical Ecology and Conservation 10,12 s.h.
Rich understanding of tropical ecology through hands-on exposure, direct experimentation, study of theory, taxonomy of major groups, and observation of empirical patterns; science courses taught in English; Spanish-language course for various levels; travel to diverse ecosystems; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member. Requirements: 2.75 cumulative GPA and two semesters of college-level biology. Recommendations: college-level ecology or environmental science course, and college-level Spanish.

ABRD:3325 CIEE Monteverde Ecology and Sustainability arr.
Insight into complexity of pressures that confront global biodiversity (e.g., population growth, consumption, urbanization, globalization); homestay with local families provides exposure to Spanish language and Costa Rican culture; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member; for students with an interest in environmental studies. Requirements: 2.50 GPA and three semesters of college-level environmental studies. Recommendations: college-level Spanish.

ABRD:3326 CIEE Santiago (DR) Liberal Arts Program 12 s.h.
Enrollment in one of three distinct academic tracks based on language proficiency level; tracks offer a variety of courses on society, culture, economics, and politics of Hispaniola and the Greater Hispanic Caribbean; regional literature, history, and widely variant sociocultural issues facing the region; administered by the Council on International Educational Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member. Requirements: 2.75 cumulative GPA, 3.00 GPA in Spanish language, and four semesters of college-level Spanish.

ABRD:3335 USAC Heredia Program arr.
Culture and physical beauty of Costa Rica experienced through specially designed courses combined with family home stay and some program travel; administered by the University Studies Abroad Consortium (USAC) of which the University of Iowa is a member. Requirements: cumulative GPA of 2.50.

ABRD:3337 USAC San Ramon Program arr.
Life and health sciences, Spanish language and culture studies program; tropical ecology, tropical marine biology, conversation biology, and environmental policy courses taught in English; science curriculum combined with Spanish language or literature classes designed by tracks according to level; administered by the University Studies Abroad Consortium (USAC) of which the University of Iowa is a member; for science majors interested in learning more about ecology and conservation biology in Costa Rica. Requirements: 2.50 GPA and one year of college-level general biology with lab.

ABRD:3338 USAC Havana Program 3,6 s.h.
Appreciation of Cuban society through area studies coursework in history, culture, and politics of the region; courses taught in English and Spanish; administered by the University Studies Abroad Consortium of which the University of Iowa is a member. Requirements: 2.50 GPA and good academic standing.

ABRD:3339 CIEE Buenos Aires Community Public Health Program arr.
Classroom-based theory and language instruction to support extensive, offsite fieldwork; examination of Argentine health care system through lens of social sciences; exposure to challenges facing global health arena and diversity of solutions being implemented locally to resolve them. Summer. Requirements: 2.75 cumulative GPA and five semesters of college-level Spanish. Recommendations: college-level coursework in public health, and coursework in history or politics of Latin America or Argentina.

ABRD:3341 IES Internships Santiago arr.
Real-world experience combined with professional skill building and cultural immersion; interning full time in student's chosen field. Eight weeks in summer. Requirements: 2.50 GPA, junior or higher standing, and good academic and disciplinary standing. Recommendations: four semesters of college-level Spanish.

ABRD:3342 Brazilian Carnival: Music and Dance 3 s.h.

ABRD:3345 CIEE Santiago Community Public Health Program arr.
Program in Santiago, Dominican Republic; concepts of public health with a focus on health management, policies and coverage, and language instruction; extensive off-site field work in semi-rural and urban areas; multi-dimensional nature of health, preventive medicine, and health care administration through involvement in community services; students live in private Dominican homes with families. Requirements: good academic and disciplinary standing, four semesters of college-level Spanish or equivalent, and an overall GPA of 2.75.

ABRD:3346 SIT Argentina Social Movements and Human Rights arr.
Opportunity to gain language proficiency and learn how to conduct undergraduate field research abroad; concentration on exploration of a specific critical global issue. Requirements: good academic and disciplinary standing, 2.50 GPA, three recent semesters of college-level Spanish or equivalent, and previous coursework and/or other significant preparation in social work, political economy, development studies, or Latin American studies as assessed by SIT.

ABRD:3349 IES Buenos Aires and Santiago Emerging Economies arr.
Multiple location and interdisciplinary program that offers a unique comparative perspective of two of the most notable emerging economies in South America; students spend half of the semester in Buenos Aires, Argentina and the other half in Santiago, Chile; designed for students interested in business, economics, sociology, and political science. Requirements: 2.75 GPA and good academic and disciplinary standing.

ABRD:3352 International Perspectives: Xicotepec arr.
Introduction to providing service to communities in underdeveloped countries through discipline-specific projects to improve community life in Xicotepec, Mexico; cultural and professional preparation for teamwork in an international environment; service-learning course in collaboration with Rotary International. Spring break in Xicotepec, Mexico.

ABRD:3353 International Entrepreneurship and Culture arr.
International business strategies, foreign exchange, tariffs and trade, micro-finance, economic conditions and culture of destination countries; hands-on experience working with in-country micro-entrepreneurs, a firsthand look at international businesses in operation, and lectures from in-country experts; business strategies and operations for successful sustainable growth in foreign countries. Requirements: 2.75 GPA and good academic and disciplinary standing.

ABRD:3354 Engineering Service Program arr.
Engineering students work in teams to build or repair bridges in communities outside the United States as part of a service-learning project; students live locally in the community where bridge work is being done; complemented by University of Iowa coursework before and after experience abroad. Requirements: good academic and disciplinary standing.

ABRD:3355 IES Santiago Health Studies arr.
Students expand their knowledge of Spanish language through required courses, a homestay, and interaction with host culture through an observership; students participate in a health studies seminar and are required to complete 80 hours of an observership in either a clinical setting or a community setting; designed for Spanish students in health-related majors. Requirements: four semesters of college-level Spanish including at least one course completed within the year prior to program start date, sophomore standing, 2.75 GPA, and good academic and disciplinary standing.

ABRD:3356 USAC Montevideo Program arr.
Development of Spanish language skills through coursework, homestay, and field trips; students learn about the area known as the Rio de la Plata in Argentina and Uruguay, and are required to spend the beginning of the semester taking an intensive Spanish language course which allows for rapid acquisition of language and culture; courses also are available in viticulture and agribusiness. Requirements: 2.50 GPA and good academic and disciplinary standing.

ABRD:3357 CIEE Santiago Open Campus arr.
Students are offered a series of courses that allow them to explore the dynamics of this Latin American nation and its culture; students choose one of six academic tracks; most classes taught in English, but Spanish language classes are available; the Council on International Educational Exchange (CIEE) administers the program on behalf of a consortium of which the University of Iowa is a member. Requirements: 2.50 GPA and good academic and disciplinary standing.

ABRD:3358 CIEE Buenos Aires Open Campus arr.
Students are offered a series of courses that allow them to explore the forces at play in this Latin American nation and its culture; students choose one of six academic tracks; most classes taught in English, but Spanish language classes are available; the Council on International Educational Exchange (CIEE) administers the program on behalf of a consortium of which the University of Iowa is a member. Requirements: 2.50 GPA and good academic and disciplinary standing.

ABRD:3361 Women's Empowerment in the Dominican Republic arr.
Exploration of a variety of organizations and initiatives that support entrepreneurship and empowerment among marginalized populations in the Dominican Republic; focus on education, international social entrepreneurship, social justice, cultural competency, and community development; students learn about other fields of interest such as business, social work, public health, youth development/recreation, and agriculture. Requirements: 2.50 GPA and good academic and disciplinary standing.

ABRD:3362 CIEE Merida Open Campus arr.
Mérida; selection of courses from seven academic tracks; block-schedule courses in English; combination of traditional lectures with cocurricular excursions and activities; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member. Requirements: 2.50 GPA and good academic and disciplinary standing.

ABRD:3364 Pharmacy Rotations Abroad arr.
Practicum experience; focus on best practices for pharmaceutical management, ways to enhance access to medicine; promotion in underserved and resource-limited environments abroad. Recommendations: successful completion of all requirements listed as prerequisites for rotations in the advanced practice experience syllabus.

ABRD:3365 International Medicine: Experiential Learning in the Dominican Republic arr.
Cross-cultural opportunity for students interested in health care sciences to observe health care professionals in hospital and clinical settings and increase awareness of international health care systems and practices in the Dominican Republic. Requirements: good academic and disciplinary standing, minimum 2.50 GPA, and completion of at least one semester of college-level study. Recommendations: undergraduate health or pre-health major.

ABRD:3367 Dominican Republic: Education, Culture, and Society arr.
Opportunity to view and interact firsthand with a variety of community, civil society, and government services in the field of education in the Dominican Republic, including local organizations carrying out activities such as basic education, social change, empowerment, and community resilience; students will actively interact with Dominican youth leaders and discuss the ever-shifting landscape of increased youth leadership and societal change; themes of diversity and vulnerable excluded populations will be highlighted. Requirements: good academic and disciplinary standing, minimum 2.50 cumulative GPA, completion of at least one semester of college-level study.

ABRD:3371 CIEE Monteverde Open Campus arr.
A variety of coursework including some environmental and sustainability studies courses on the Monteverde, Costa Rica campus located adjacent to the Monteverde Cloud Forest; two or three 6-week blocks of classes over the course of a semester; administered by the Council on International Educational Exchange (CIEE) on behalf of an academic consortium of which the University of Iowa is a member. Taught in English. Requirements: 2.50 minimum cumulative GPA and good academic and disciplinary standing.

ABRD:3374 SIT Argentina Public Health in Urban Environments arr.
Examination of urban epidemiology; challenges and inequities in public health policy in Buenos Aires. Requirements: 2.50 GPA, good academic and disciplinary standing, three semesters of college-level Spanish, and some previous college coursework in health sciences, political science, anthropology, sociology, or development studies.

ABRD:3376 Maternal Health Abroad arr.
Provides students with a comparative public health perspective to explore similarities and differences in the delivery of maternal health care in migrant, rural, and indigenous communities abroad and in Iowa. Students travel abroad with some coursework completed prior to and after the on-site experience. Requirements: minimum UI and cumulative GPA of 2.75, good academic and disciplinary standing.

ABRD:3405 CIEE Seoul Summer Global Internship arr.
English-speaking international internship in Seoul; CIEE Summer Global internship programs combine a full-time internship of 30–40 hours per week for a total of 225–300 placement hours, with integrated academic seminar to enhance their experience with cocurricular and extracurricular activities while building career skills, expanding professional networks, and immersion in the South Korean culture. Eight weeks in summer. Requirements: minimum 2.50 GPA, second-year or higher standing, and good academic and disciplinary standing.

ABRD:3411 Iowa in Tianjin arr.
Chinese language, area studies, and folk art; based at Tianjin University of Technology. Summer or semester. Requirements: one to three years of college-level Chinese.

ABRD:3423 CIEE Tokyo Global Internship arr.
English-speaking international internship in Tokyo, Japan; CIEE Summer Global Internship programs combine full-time internship with integrated academic seminar to provide professional exploration and specific skills development; individualized placements based on student's career goals and a great way to explore future career options while having an amazing adventure abroad; credit-bearing internship with six-semester UI resident credits, 30 integrated academic seminar hours, and 200-240 internship placement hours; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member. Eight weeks in summer. Requirements: 2.50 GPA and good academic and disciplinary standing.

ABRD:3424 CIEE Kyoto Open Campus arr.
Students live and learn in Kyoto and customize their experience by selecting courses from seven academic tracks; block-schedule courses are taught in English and combine traditional lectures with cocurricular excursions and activities; the Council on International Educational Exchange (CIEE) administers the program on behalf of a consortium, of which the University of Iowa is a member. Requirements: minimum 2.5 GPA, good academic and disciplinary standing.

ABRD:3425 CIEE Shanghai Accelerated Chinese Language 10,12 s.h.
Accelerated language program in Shanghai, China; one year of Chinese language training accomplished during summer; for intermediate and advanced Chinese language students. Requirements: cumulative GPA of 3.00.

ABRD:3427 CIEE Shanghai Business, Language, and Culture arr.
CIEE study abroad program in Shanghai, China; Chinese language training at standard and intensive levels; courses (taught in English) in business, marketing, economics, international relations, and area studies; contemporary business issues affecting China; effects of China as a rising power in the business world today; for students majoring in business with no Chinese language background and those who have studied Chinese for several semesters. Requirements: 2.75 GPA, seven semesters or less of college-level Chinese, and three or more semesters of microeconomics, macroeconomics, accounting, finance, management, or marketing.

ABRD:3428 CIEE Shanghai China in a Global Context 12 s.h.
CIEE study abroad program in Shanghai, China; focus on China in a global context; Chinese language training at standard and intensive levels; courses (taught in English) in global studies, economics, international relations, and area studies; for students with no Chinese language background and those who have studied Chinese for several semesters. Requirements: 2.75 GPA and seven semesters or less of college-level Chinese. Recommendations: completion of one Chinese area studies course.

ABRD:3430 CIEE Singapore Summer Global Internship arr.
English-speaking international internship in Singapore, Asia; CIEE Summer Global Internship programs combine full-time internship with integrated academic seminar to provide professional exploration and specific skills development; individualized placements based on student's career goals and a great way to explore future career options while having an amazing adventure abroad; credit-bearing internship with six-semester UI resident credits, 30 integrated academic seminar hours, and 200-240 internship placement hours; administered by the Council on International Educational Exchange (CIEE) on behalf of a consortium of which the University of Iowa is a member. Eight weeks in summer. Requirements: 2.50 GPA and good academic and disciplinary standing.

ABRD:3431 Introduction to Global Business, Singapore arr.
Provides students with a thorough understanding and firsthand look at the Association of South East Asian Nations (ASEAN) through the lenses of business and leadership; learn about the region's highly diverse makeup of languages, cultures, and norms; be introduced to the business and leadership challenges that organizations face when working in this part of the world; learn how Singapore and the neighboring regions present the world with exciting opportunities for the business, educational, and cultural sectors, and are well-positioned to meaningfully impact the global economy and geopolitics in the foreseeable future.
