Lifetime Leisure Skills Courses (LLS)

This is a list of all Lifetime Leisure Skills courses. For more information, see Lifetime Leisure Skills.

**LLS:1110 Introduction to Camping** 1 s.h.
Introduction to the wonderful world of camping; focus on development of skills and knowledge pertaining to camping equipment, campsite selection and setup, outdoor cooking, useful knots, and minimum impact principles; overnight camping required.

**LLS:1111 Hiking** 1 s.h.
Beginner-level hiking skills; safety and planning; proper care and use of equipment; physically strenuous; overnight camping required.

**LLS:1112 Backpacking** 1 s.h.
Beginner-level backpacking skills; basic map reading, proper packing and planning, equipment and clothing selection; physically strenuous; overnight camping required.

**LLS:1113 Expedition Backpacking** 1 s.h.
Remote, multiday, backcountry camping skills; proper packing and planning; backcountry nutrition; topographic map reading; equipment and clothing selection; very physically strenuous; overnight camping required.

**LLS:1114 Team Building** 1 s.h.
Exploration of various methods of team building and common characteristics of successful teams through the use of UI Challenge Course; strong emphasis on cooperative group work and discussions.

**LLS:1115 Challenge Course Facilitation** 3 s.h.
How to effectively facilitate and lead challenge course activities; philosophy and history of challenge courses, group games and initiatives, processing and debriefing with challenge course groups, low- and high-course setup procedures, risk management.

**LLS:1116 Leadership in the Outdoors** 4 s.h.
Leadership theories, group dynamics, expedition logistics, outdoor leadership skills, risk management; indoor and outdoor classroom sessions, overnight camping required; technical skill development may include backpacking, canoeing, kayaking, rock climbing, mountain biking, bike touring, general camping.

**LLS:1117 Introduction to Rock Climbing** 1 s.h.
Comprehensive introduction to physical techniques of rock climbing, mechanical skills of belaying, proper usage of personal protective equipment, and common climbing terminology.

**LLS:1118 Intermediate Rock Climbing** 1 s.h.
Expands on skills learned in LLS:1117; requires current belay card for UI Campus Recreation and Wellness Center climbing wall; overnight camping required. Prerequisites: LLS:1117.

**LLS:1119 Expedition Rock Climbing** 1 s.h.
Multiday climbing expedition; physically strenuous; overnight camping required.

**LLS:1120 Anchors for Top Rope Climbing** 1 s.h.
Development of basic skills for climbing anchors; understanding setting top-rope anchors; use of bolts, trees, and passive and mechanical chocks for anchor setting; equalization of anchors; basic knots for rope, webbing, and cordelettes; basic understanding of the structural integrity and frictional forces important to anchor setting.

**LLS:1121 Expedition Lead Climbing: Sport** 1 s.h.
Fundamentals of single-pitch sport climbing on lead; belaying a leader; use of 52.5 foot tall climbing wall at UI Campus Recreation and Wellness Center climbing wall. Prerequisites: LLS:1120.

**LLS:1122 Expedition Lead Climbing: Sport** 1 s.h.
Multiday single-pitch sport lead climbing expedition; requires current lead climbing approval for UI Campus Recreation and Wellness Center climbing wall; eligible to obtain lead climbing approval after successful completion of course. Prerequisites: LLS:1120.

**LLS:1123 Expedition Bouldering** 1 s.h.
Multiday bouldering expedition; overnight camping required.

**LLS:1124 Introduction to Bouldering** 1 s.h.
Basics of bouldering.

**LLS:1125 Expedition Bouldering** 1 s.h.
Multiday ice climbing expedition.

**LLS:1126 Recreational Cycling** 1 s.h.
Basics of bicycling for recreation; riding techniques, basic bicycle maintenance, rules of the road; students must already know how to ride a bike; physically strenuous. Taught on Johnson County area roads and trail systems.

**LLS:1127 Urban Cycling** 1 s.h.
How to safely navigate urban areas by bicycle; traffic laws, situational awareness, basic maintenance, planning and route considerations.

**LLS:1128 Expedition Bicycle Touring** 1 s.h.
Planning and packing for self-supported, overnight bicycle touring trips; proper care and use of equipment; physically strenuous; overnight camping required.

**LLS:1129 Expedition Bicycle Touring** 1 s.h.
Multiday self-supported bicycle touring expedition; camp while exploring iconic touring routes of the United States; very physically strenuous; overnight camping required.
LLS:1320 Mountain Biking  1 s.h.  
Basics of mountain bicycling; riding techniques, basic bicycle maintenance, trail etiquette. Taught on Sugar Bottom recreation trail system.

LLS:1322 Expedition Mountain Biking  1 s.h.  
Multiday mountain bicycling expedition; very physically strenuous; overnight camping required.

LLS:1350 Marathon Training  1 s.h.  
Multweek training program; for students who currently run on a regular basis and wish to take their running to a more advanced level; physically strenuous.

LLS:1360 Trail Running  1 s.h.  
Techniques of off-road running; local running trails in and around Iowa City; emphasis on proper training, clothing, equipment, and nutrition; physically strenuous; no experience required.

LLS:1361 Expedition Trail Running  1 s.h.  
Multiday trail running expedition; very physically strenuous; overnight camping required.

LLS:1400 Flat Water Canoeing  1 s.h.  
Basics of flat water tandem canoeing; paddle strokes, canoe anatomy, water safety. Taught at Macbride Nature Recreation Area.

LLS:1401 River Canoeing  1 s.h.  
Fundamentals of tandem canoeing on moving water; basic paddling strokes, canoe anatomy, hydrology, river safety; overnight camping required.

LLS:1403 Expedition Canoeing  1 s.h.  
How to plan and pack for multiday canoeing expeditions; Leave No Trace primitive camping; paddling skills in loaded canoes; reading river/lake maps; portaging techniques; rescue techniques; overnight camping required.

LLS:1410 Sea Kayaking  1 s.h.  

LLS:1411 Expedition Sea Kayaking  1 s.h.  
Multiday sea kayaking expedition; primitive camping; paddling skills in loaded kayaks, reading river/lake maps, rescue techniques.

LLS:1420 River Kayaking  1 s.h.  
Fundamentals of kayaking on moving water; basic paddling strokes, kayak anatomy, hydrology, river safety; overnight camping required.

LLS:1422 Whitewater Kayak Playboating  1 s.h.  
Varied techniques of playboating—a style of whitewater kayaking in which the paddler performs tricks on natural or human-made whitewater features; introductory pool session; taught on rivers in Iowa with whitewater kayaking parks. Recommendations: previous whitewater kayaking experience or LLS:1421.

LLS:1423 Expedition Whitewater Kayaking  1 s.h.  
Multiday whitewater kayaking expedition; class I-III rapids, rolling and bracing, safety and rescue techniques; overnight camping required.

LLS:1430 Stand Up Paddleboarding  1 s.h.  
Introduction to paddleboarding skills on flat, calm water; paddling environment, board and paddle control, standing and balancing, personal preparation and safety.

LLS:1431 Stand-Up Paddleboard Yoga  1 s.h.  
Paddleboarding and yoga, learning and combining two skills in one course; for all skill levels.

LLS:1440 Scuba  1 s.h.  
Basics of Scuba diving. Seven weeks.

LLS:1441 Advanced Open Water Scuba  1 s.h.  
Participation in five scuba diving specialty activities. Prerequisites: LLS:1440. Requirements: certification as open water scuba diver.

LLS:1500 Winter Camping  1 s.h.  
How to successfully and comfortably camp in cold, harsh conditions; snow shelters, hydration, meal preparation, clothing needs; snowshoe/ski travel with sleds (as conditions permit).

LLS:1510 Snowshoeing  1 s.h.  
Basics of snowshoeing; physically strenuous.

LLS:1512 Expedition Snowshoeing  1 s.h.  
Multiday snowshoeing and winter camping expedition; very physically strenuous; overnight camping required.

LLS:1520 Cross-Country Skiing  1 s.h.  
Basics of cross-country skiing in northern Wisconsin.

LLS:1522 Expedition Cross-Country Skiing  1 s.h.  
Multiday cross-country skiing expedition; physically strenuous.

LLS:1530 Alpine Skiing  1 s.h.  
Basics of downhill skiing; physically strenuous.

LLS:1532 Expedition Alpine Skiing  1 s.h.  
Multiday alpine skiing expedition; very physically strenuous.

LLS:1560 Basic Self Defense  1 s.h.  
Basics of self-defense.

LLS:1600 Basic Self Defense  1 s.h.  
Basics of kickboxing.

LLS:1611 Intermediate Kickboxing  1 s.h.  
Aggressive workout utilizing heavy bags, coach’s mitts, and other equipment; conducted at moderate to intense pace using competitive kickboxing techniques, training methods, and equipment; kickboxing as a conditioning tool with self-defense as a byproduct; not designed to prepare for competition. Prerequisites: LLS:1610.

LLS:1620 Tae Kwon Do  1 s.h.  
Basics of Tae Kwon Do.

LLS:1621 Intermediate Tae Kwon Do  1 s.h.  
Expand on knowledge and skills learned in LLS:1620. Prerequisites: LLS:1620.

LLS:1630 Brazilian jiu-jitsu  1 s.h.  
Introduction to the sport of Brazilian jiu jitsu; basic self-defense, positional grappling, submissions, submission defense; no martial arts experience required.

LLS:1650 Ballroom Dancing  1 s.h.  
Basics of ballroom dancing; overview of several figures; beginner level.

LLS:1651 Ballroom Dancing: Waltz  1 s.h.  
Beginning through intermediate-level waltz figures; performing a beautiful waltz routine; skills and knowledge to dance with confidence at any formal dance occasion; for all skill levels.

LLS:1652 Ballroom Dancing: Foxtrot and Tango  1 s.h.  
Beginning to intermediate-level figures in two of the most beautiful and popular dances in the world—foxtrot and tango; for all skill levels.
LLS:1653 Ballroom Dancing: Rhumba, Cha Cha, Merengue  
1 s.h.
Beginner- to intermediate-level figures in three of the most popular and energy-charged Latin dances of today—Rhumba, Cha Cha, and Merengue; for all skill levels.

LLS:1654 Ballroom Dancing: Nightclub Series  
1 s.h.
Salsa, the Hustle, Nightclub Two-Step, Argentine tango; for all skill levels.

LLS:1655 Ballroom Dancing: Rhythm and Smooth  
1 s.h.
Mambo, samba, waltz, Viennese waltz; for all skill levels.

LLS:1660 Salsa Dancing  
1 s.h.
Fundamentals of Latin/Salsa dancing; musical rhythms, cultural history, postures, technique, basic movements; techniques for developing strength, stamina, balance, poise, and partner dancing skills; traditional social behaviors in salsa's cultural context.

LLS:1671 Beginner Knitting: Mindfulness and Patience  
1 s.h.
Basics of knitting while exploring mindfulness and patience.

LLS:1675 Yoga  
1 s.h.
Emphasis on mindfulness, breath awareness, and attention to alignment.

LLS:1680 Golf  
1 s.h.
Basic principles and fundamentals of golf swing (e.g., full swing, pitching, chipping, putting); opportunity to practice skills at various facilities; history, basic rules, proper golf etiquette, evolution of golf related to technology.

LLS:1690 Gardening: Vegetables and Herbs  
1 s.h.
Fundamental skills for successfully growing vegetables and herbs outdoors and in containers.

LLS:1691 Gardening: Designing Edible Forests  
1 s.h.
Fundamental skills for successfully designing and establishing fruit trees, berry bushes, and perennial herbs in ways that emulate a healthy woodland ecosystem and enrich our interaction with nature.

LLS:1801 Wilderness First Responder  
2 s.h.
Skills necessary for providing critical medical care and making evacuation decisions in remote wilderness locations; interactive lectures, case studies, and hands-on practice through realistic scenarios help master material; 80-hour certification course.

LLS:1850 Service Learning  
1 s.h.
Service learning project in an urban or wilderness setting; learn about local community, environment; projects depend on location, season.

LLS:4000 Independent Study  
arr.
Individual study in an area of interest to students; coursework determined by faculty supervisor.
