UIUB Courses

This is a list of courses with the subject code UIUB. For more
information, see University of Iowa Upward Bound (University
College) in the catalog.

**UIUB:1010 Upward Bound Project - Bridge Seminar**
1-2 s.h.
Six-week academic summer program component that provides students with an intensive experience of taking college courses through the University of Iowa; aids in transition to college, preparation for college-level learning, and introduction to topics specific to higher education; for Bridge high-school graduates in the University of Iowa Upward Bound Program.
