

Oral and Maxillofacial Surgery, Professional Certificate

Admission

Students may begin the four-year certificate program only on July 1. Applicants are selected through a postdoctoral dental matching program. The application deadline for the match in oral and maxillofacial surgery is Sept. 1 for admission the following July. Appointments are made after the match results are revealed and the staff elects to take official action. Appointments are offered on or before Feb. 1 for the following July.

Applicants must have graduated from an accredited college of dentistry, should be in the upper one-fourth of their graduating class, and must be eligible to be licensed to practice dentistry in the United States.
