- GE CLAS Core courses may be completed in any order unless used as a prerequisite for another course. Students should consult with an advisor about the best sequencing of courses.
- Students who have completed four years of a single language in high school have satisfied the GE CLAS Core World Languages requirement. Enrollment in world languages courses requires a placement exam, unless enrolling in a first-semester-level course.
- Students may use elective courses to earn credit towards the total s.h. required for graduation or to complete a double major, minors, or certificates.
- See General Catalog for list of approved courses.
- A course used for the GE CLAS Core cannot also be used to count toward major requirements.
- Students must select major electives to total 15 s.h., including at least two different College of Education areas (EDTL, EPLS, PSQF, RCE). Subprograms or informal concentration areas may guide the selection of major electives. See General Catalog for list of approved courses and more information about subprograms and concentration areas.

- g Please see Academic Calendar, Office of the Registrar website for current degree application deadlines. Students should apply for a degree for the session in which all requirements will be met. For any questions on appropriate timing, contact your academic advisor or Graduation Services.
