- a Students seeking superintendent endorsement must have an Iowa administrator license. They obtain the superintendent endorsement (State of Iowa endorsement 171) upon completing the required EdS coursework and at least three years of principal experience.
- b Complete most course requirements prior to taking clinical requirements; work with academic advisor to select electives.
- c Students must complete specific requirements in the University of Iowa Graduate College after program admission. Refer to the Graduate College website and the Manual of Rules and Regulations for more information.
- d Graduate College program GPA is comprised of all courses that are approved degree requirements. If a student takes more than the minimum required number of semester hours to complete the degree, but all courses taken are eligible to count toward the degree, those courses will be included in the Graduate College program GPA.
- e Students are required to spend 40 clock hours of effort for each semester hour of clinical courses; see department website for specifics.
