Educational Policy and Leadership Studies, Ed.S.

Educational Leadership

The Specialist in Education program in educational policy and leadership studies with an educational leadership subprogram requires 36 s.h. of graduate credit and is offered for educators who already have their master's degree and Iowa administrator license. Students must earn a cumulative g.p.a. of at least 3.00 in major coursework.

The program prepares candidates to be superintendents in Iowa or to hold other district-level leadership positions in K-12 school districts. It also prepares them for appointments as area education agency chief administrators and for jobs in state or federal departments of education.

Students complete 26 s.h. of coursework, 10 s.h. of clinical work, and present an entry plan. Many educational leadership courses are offered by distance education; see MyUI for information about courses offered during current semesters. At the conclusion of the program, students are required to present their first-year entry plan. For detailed information, refer to Ed.S. programs on the Educational Leadership website.

Students seeking superintendent endorsement must have an Iowa administrator license. They obtain the superintendent endorsement (State of Iowa endorsement 171) upon completing the required Ed.S. coursework and at least three years of principal experience.
