Psychological and Quantitative Foundations, EdS

Admission

Applicants must meet the admission requirements of the Graduate College; see the Manual of Rules and Regulations on the Graduate College website. Applicants are reviewed holistically.

Preference is given to applicants with:

• an undergraduate major in psychology, education, or a related field;
• an undergraduate grade-point average (GPA) of 3.00 or higher;
• a graduate GPA of 3.00 or higher;
• related research experience; and
• an interest and experience working with children and adolescents in K–12 settings.
