Chemical and Biochemical Engineering, M.S.

**Financial Support**

Full financial support is available to admitted M.S. thesis students in the form of teaching assistantships, research assistantships, and fellowships. The department provides up to two years of support for all full-time M.S. thesis students who are making normal progress toward the degree, exhibit satisfactory performance in all duties, and maintain appropriate professional conduct. Students admitted to the nonthesis M.S. or Undergrad to Grad (U2G) programs are not guaranteed department financial support.
