

Molecular Medicine

Director

- Matthew J. Potthoff (Neuroscience and Pharmacology)

Faculty: <https://medicine.uiowa.edu/mcb/faculty>

Website: <https://medicine.uiowa.edu/mcb/>

Programs

Graduate Program of Study

Major

- Doctor of Philosophy in Molecular and Cellular Biology

Students interested in doctoral studies in molecular medicine should apply under the umbrella program in Biomedical Science (select molecular medicine subprogram). Direct application to the Ph.D. in molecular and cellular biology is not currently being considered.
