

Master of Public Affairs, MPAff

Admission

Admission requires an undergraduate degree and fulfillment of the minimum requirements of the Graduate College.

The priority deadline for funding consideration is Jan. 15 for fall admission. Funding for those who submit materials after these dates is considered only as funding permits. Applications for admission are accepted until July 15; April 15 for international students. For spring admission, applications are accepted until Dec. 1.

To apply, follow the directions on the Graduate Admissions website. Applicants can apply online and upload all supporting materials. All students requesting funding also must complete and upload the Funding Application/Award Form.
