Academic Plans

Four-Year Graduation Plan

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on the University's Four-Year Graduation Plan. Courses in the major are those required to complete the major; they may be offered by departments other than the major department.

During the first year of study, students should focus on completing the GE CLAS Core, perhaps including Swahili or Spanish coursework to begin satisfying the World Languages requirement.

**Before the fifth semester begins:** at least three courses in the major, including AFAM:1020 Introduction to African American Culture and AFAM:1030 Introduction to African American Society.

**Before the seventh semester begins:** at least seven courses in the major and at least 90 s.h. earned toward the degree.

**Before the eighth semester begins:** at least nine courses in the major.

**During the eighth semester:** enrollment in all remaining coursework in the major, all remaining GE CLAS Core courses, and a sufficient number of semester hours to graduate.

Sample Plan of Study
