<b>Hours</b>		<b>3</b>
<b>Total Hours</b>		<b>18</b>

- a See General Catalog for list of approved electives. Nursing students may also take NURS:3620 to satisfy this requirement.
- b This foundation course is recommended to be taken prior to other required or elective courses, if possible.
- c Nursing students may also take NURS:3138 to satisfy this requirement.
- d ASP:4190 is restricted and requires that the student discuss with the certificate coordinator what required courses have been completed prior to enrollment. It is allowable to be finishing one certificate course while also taking the internship.
