Academic Plans

Four-Year Graduation Plan

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on the university's Four-Year Graduation Plan.

Before the fifth semester begins: declaration of the major and discussion of a plan of study with an American studies advisor.

Before the seventh semester begins: at least six courses from the plan of study and at least 90 s.h. earned toward the degree.

Before the eighth semester begins: at least nine courses from the plan of study.

During the eighth semester: enrollment in all remaining coursework in the major, all remaining GE CLAS Core courses, and a sufficient number of semester hours to graduate.

Sample Plan of Study

Sample plans represent one way to complete a program of study. Actual course selection and sequence will vary and should be discussed with an academic advisor. For additional sample plans, see MyUI.
