Academic Plans

Four-Year Graduation Plan

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on the university's Four-Year Graduation Plan. Courses in the major are those required to complete the major; they may be offered by departments other than the major department.

Before the fifth semester begins: at least four courses in the major.

Before the seventh semester begins: at least four more courses in the major (total of eight) and at least 90 s.h. earned toward the degree.

Before the eighth semester begins: at least three more courses in the major (total of 11).

During the eighth semester: enrollment in all remaining coursework in the major, all remaining GE CLAS Core courses, and a sufficient number of semester hours to graduate.

Sample Plan of Study

Sample plans represent one way to complete a program of study. Actual course selection and sequence will vary and should be discussed with an academic advisor. For additional sample plans, see MyUI.

j Students may select an elective art course until they complete a maximum of 56 s.h. of art courses, or select a non-art elective course.
l Students may fulfill this general education requirement while also fulfilling major requirements.
m Please see Academic Calendar, Office of the Registrar website for current degree application deadlines. Students should apply for a degree for the session in which all requirements will be met. For any questions on appropriate timing, contact your academic advisor or Graduation Services.
