Art, M.A.

Requirements

The Master of Arts program in art requires a minimum of 38 s.h. of graduate credit. Students must maintain a cumulative g.p.a. of at least 3.00. The degree is offered with emphases in the following studio art disciplines: ceramics, graphic design, three-dimensional (3D) design, drawing, intermedia and video art, jewelry and metal arts, painting, photography, printmaking, and sculpture.

M.A. students must hold a B.A. or B.F.A. in art equivalent to that offered by the University of Iowa. Undergraduate deficiencies, if any, may be made up concurrently with graduate study but do not count toward the graduate degree requirements.

Required Courses

The 38 s.h. of credit required for the degree includes at least 16 s.h. in a primary studio art emphasis; 8 s.h. in a secondary studio art emphasis chosen from one of the studio art disciplines listed above; and 6 s.h. in the history and theory of art, excluding readings and directed studies.

Committee Review

Students undergo a division-wide review for M.A. candidacy by the faculty during their third semester in residence. All those except painting and drawing students must submit a written artist’s statement or thesis.

Thesis

M.A. students in intermedia and video art, and 3D design are required to write a thesis. They may earn 1 s.h. for writing a technical or substantial thesis by registering for ARTS:6000 M.A. Written Thesis, with approval of the thesis supervisor. Thesis credit earned in an M.A. program is not applicable toward M.F.A. requirements. M.A. students in other studio art disciplines choose the thesis or nonthesis option in consultation with their discipline advisor.

The College of Education offers an M.A. program in art education; see the M.A. in teaching and learning in the Catalog.
