The Certificate in Arts Entrepreneurship is offered by the Division of Performing Arts; the Schools of Music and Art and Art History; the Departments of Cinematic Arts, Dance, and Theatre Arts; and the Magid Center for Undergraduate Writing in partnership with the John Pappajohn Entrepreneurial Center in the Tippie College of Business. The program gives students the opportunity to pursue professional studies in the arts and entertainment fields, in the framework of a liberal arts education, and to develop the skills required for creating market-based opportunities in the arts.

Arts Living Learning Community

First- and second-year students studying arts entrepreneurship may apply to live in the Arts Living Learning Community, a coed floor in a University of Iowa east campus residence hall. The community includes students from art and art history, dance, film, music, and theatre arts.
