Academic Plans

Four-Year Graduation Plan

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on the university's Four-Year Graduation Plan. Courses in the major are those required to complete the major; they may be offered by departments other than the major department.

**Before the third semester begins:** competence in first-year Russian.

**Before the fifth semester begins:** competence in second-year Russian.

**Before the seventh semester begins:** competence in third-year Russian, an additional course in the major, and at least 90 s.h. earned toward the degree.

**Before the eighth semester:** competence in fourth-year Russian and two more courses in the major.

**During the eighth semester:** enrollment in all remaining coursework in the major, all remaining GE CLAS Core courses, and a sufficient number of semester hours to graduate.

Sample Plan of Study

Sample plans represent one way to complete a program of study. Actual course selection and sequence will vary and should be discussed with an academic advisor. For additional sample plans, see MyUI.

- Sustainability must be completed by choosing a course that has been approved for Sustainability AND for one of these General Education areas: Natural Sciences; Quantitative and Formal Reasoning; Social Sciences; Historical Perspectives; International and Global Issues; Literary, Visual, and Performing Arts; or Values and Culture.
- RUSS:1111, RUSS:1112, and RUSS:2111 do not count for credit toward the major. Enrollment in world languages courses requires a placement exam, unless enrolling in a first-semester-level course. Language level placement will be determined by placement exam score and/or oral interview. Students who place into the 5th semester level of the language will begin major level coursework and not be required to take semesters 1-4 of the language.
- GE CLAS Core courses may be completed in any order unless used as a prerequisite for another course. Students should consult with an advisor about the best sequencing of courses.
d Students may use elective courses to earn credit towards the total s.h. required for graduation or to complete a double major, minors, or certificates.

e Only 3 s.h. from RUSS:2112 applies toward the major.

f Please see Academic Calendar, Office of the Registrar website for current degree application deadlines. Students should apply for a degree for the session in which all requirements will be met. For any questions on appropriate timing, contact your academic advisor or Graduation Services.
