Four-Year Graduation Plan

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on the University’s Four-Year Graduation Plan. Courses in the major are those required to complete the major; they may be offered by departments other than the major department.

Students must take CINE:1601 Introduction to Film Analysis before or with CINE:1834 Modes of Film and Video Production; both courses require grades of C or higher.

Before the fifth semester begins: at least two courses in the major, including CINE:1601 Introduction to Film Analysis and CINE:1834 Modes of Film and Video Production; students must earn grades of C or higher in both courses.

Before the seventh semester begins: at least five more courses in the major (total of seven), including CINE:2615 Introduction to Film Theory, and at least 90 s.h. earned toward the degree.

Before the eighth semester begins: at least three more courses in the major preferably including CINE:3195 Undergraduate Seminar.

During the eighth semester: enrollment in all remaining coursework in the major; all remaining GE CLAS Core courses, and a sufficient number of semester hours to graduate.
