a Given the program's emphasis upon the study of film in an international context, foreign language acquisition

is considered to be highly advantageous. Up to 6 s.h. in languages and literatures courses numbered 3000 or above in an area other than English may be counted toward the degree.

- b Students must complete specific requirements in the University of Iowa Graduate College after program admission. Refer to the Graduate College website and the Manual of Rules and Regulations for more information.
- c Graduate College program GPA is comprised of all courses that are approved degree requirements. If a student takes more than the minimum required number of semester hours to complete the degree, but all courses taken are eligible to count toward the degree, those courses will be included in the Graduate College program GPA.
- d Must be taken during first year fall semester.
- e Does not count as one of the two Film Studies courses required each semester.
- f MA thesis must be submitted to the committee at least two weeks prior to the Graduate College defense deadline for spring.
