Honors in the Major

Students have the opportunity to graduate with honors in the major. Departmental honors students must maintain a cumulative grade-point average (GPA) of at least 3.33 in all UI coursework and a cumulative GPA of at least 3.50 in all cinematic arts coursework.

Once a student has earned 75 s.h., the student submits a written proposal for an honors thesis, screenwriting, or production project. The proposal must be approved by the faculty member who heads the student's honors thesis/project committee; the committee must be composed of at least two faculty members from the Department of Cinematic Arts. For more specific honors thesis/project requirements in the screenwriting arts major, including required courses, contact the Department of Cinematic Arts or visit the department's Honors in Cinematic Arts website.

University of Iowa Honors Program

In addition to honors in the major, students have opportunities for honors study and activities through membership in the University of Iowa Honors Program. Visit Honors at Iowa to learn about the university's honors program.

Membership in the UI Honors Program is not required to earn honors in the screenwriting arts major.
