

Classics, Postbaccalaureate Certificate

Requirements

The Postbaccalaureate Certificate in Classics requires 18 s.h. in Department of Classics and Religious Studies courses numbered 2000 or above. Students must maintain a grade-point average of at least 3.00 to remain in good standing and complete the program.

The program is designed for students who have a bachelor's degree and would like further study in Greek and Latin in order to be competitive for admission to a graduate program in classics. Entry to most graduate programs requires the study of both Latin and Greek, normally a minimum of three years in one language and two years in the other. The certificate is designed to be completed in two semesters by students who enter with two years of Latin and one to two years of Greek, or vice versa.

At least 12 s.h. of the required credit must be earned in Greek and Latin language courses; the remaining 6 s.h. may be earned in approved advanced courses taught in English (prefix CLSA). Transfer credit is not accepted toward the certificate.

A suggested plan of study for a student who enters the program with two years of Latin and one year of Greek is as follows.
