

Health and the Human Condition, Minor

Requirements

The undergraduate minor in health and the human condition requires a minimum of 15 s.h., including at least 12 s.h. in courses taken at the University of Iowa. Students must maintain a grade-point average of at least 2.00 in all courses for the minor and in all UI courses for the minor. Coursework in the minor may not be taken pass/nonpass. CLAS minors may only be earned concurrent with or subsequent to earning a University of Iowa bachelor's degree. They cannot be granted as standalone credentials or as the sole program of study completed at the University of Iowa.

A maximum of 3 s.h. of work for another University of Iowa major, minor, or certificate may be counted toward the minor.

The minor in health and the human condition requires the following coursework.
