Academic Plans

Four-Year Graduation Plan

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on the university's Four-Year Graduation Plan. Courses in the major are those required to complete the major; they may be offered by departments other than the major department.

Before the fifth semester begins: at least two courses in the major.

Before the seventh semester begins: at least six courses in the major and at least 90 s.h. earned toward the degree.

Before the eighth semester begins: at least eight courses in the major.

During the eighth semester: enrollment in all remaining coursework in the major, all remaining GE CLAS Core courses, and a sufficient number of semester hours to graduate.

Sample Plan of Study

Sample plans represent one way to complete a program of study. Actual course selection and sequence will vary and should be discussed with an academic advisor. For additional sample plans, see MyUI.

a Sustainability must be completed by choosing a course that has been approved for Sustainability AND for one of these General Education areas: Natural Sciences; Quantitative and Formal Reasoning; Social Sciences; Historical Perspectives; International and Global Issues; Literary, Visual, and Performing Arts; or Values and Culture.
b Students must earn at least 9 s.h. in advanced courses, which may include classics in English (CLSA) courses.
numbered 3000 or above, Greek language (CLSG) courses
numbered 2000 or above, and Latin language (CLSL)
courses numbered 2000 and above.
c See General Catalog for list of approved courses
d GE CLAS Core courses may be completed in any order
unless used as a prerequisite for another course. Students
should consult with an advisor about the best sequencing of
courses.
e The major requires six additional courses from an approved
list or from any of the required subject areas. See General
Catalog for list of approved courses or contact advisor for
more information.
f Students may use elective courses to earn credit towards
the total s.h. required for graduation or to complete a
double major, minors, or certificates.
g Students who have completed four levels of a single
language or two levels of two different languages in high
school or college have satisfied the GE CLAS Core World
Languages requirement. Students who have completed
three levels of a single language may complete a fourth-
level course in the same language or may choose an
approved World Language and Cultural Exploration course.
Enrollment in world languages courses requires a placement
exam, unless enrolling in a first-semester-level course.
Contact your academic advisor or CLAS Undergraduate
Programs Office with questions concerning the World
Languages requirement.
h Students must maintain a portfolio that details their
progress in attaining the objectives of their major. Students
submit the portfolio to their undergraduate advisor by
midterm of the semester in which they intend to graduate.
Formal approval of the portfolio is required for graduation.
Consult the undergraduate advisor for details.
i Please see Academic Calendar, Office of the Registrar
website for current degree application deadlines. Students
should apply for a degree for the session in which all
requirements will be met. For any questions on appropriate
timing, contact your academic advisor or Degree Services.
