**Doctor of Audiology, AuD**

**Requirements**

The Doctor of Audiology (AuD) requires 89 s.h. of graduate credit. The AuD is the entry-level degree for individuals who wish to work as audiologists in the United States.

The four-year AuD program is designed for students with an undergraduate degree in speech and hearing science. AuD students must complete 89 s.h. from the following courses. Students may be excused from taking courses whose equivalents they completed successfully during undergraduate study.
