

Speech and Hearing Science, BA

Academic Plans

Four-Year Graduation Plan

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on the university's Four-Year Graduation Plan. Courses in the major are those required to complete the major; they may be offered by departments other than the major department.

The major requires specific mathematics and science competencies that may be satisfied with courses approved for the GE CLAS Core.

Before the fifth semester begins: three courses in the major.

Before the seventh semester begins: nine courses in the major and at least 90 s.h. earned toward the degree.

Before the eighth semester begins: 12 courses in the major.

During the eighth semester: enrollment in all remaining coursework in the major, all remaining GE CLAS Core courses, and a sufficient number of semester hours to graduate.

Sample Plan of Study

Sample plans represent one way to complete a program of study. Actual course selection and sequence will vary and should be discussed with an academic advisor. For additional sample plans, see MyUI.

Speech and Hearing Science, BA

Course	Title	Hours
Academic Career		
Any Semester		
GE CLAS Core: Sustainability ^a		
Students who earn a major in speech and hearing science may not earn a minor in communication sciences and disorders.		
Hours		0
First Year		
Fall		
CSD:1015	Introduction to Speech and Hearing Processes and Disorders	2
RHET:1030 or ENGL:1200	Rhetoric: Writing and Communication or The Interpretation of Literature	3 - 4
MATH:1460 or MATH:1440	Calculus for the Biological Sciences or Mathematics for the Biological Sciences	4
CSI:1600	Success at Iowa	1
GE CLAS Core: World Languages First Level Proficiency or elective course ^d		4 - 5
Hours		14-16
Spring		
Major: physics or chemistry course ^{e, f}		3 - 4

Major: statistics course ^e		3
LING:3001	Introduction to Linguistics	3
PSY:1001	Elementary Psychology	3
GE CLAS Core: World Languages Second Level Proficiency or elective course ^d		4 - 5
Elective course ^g		1
Hours		17-19

Second Year

Fall		
BIOL:1141	Human Biology: Health Professions	4
CSD:2110	Phonetics: Theory and Applications ^h	3
CSD:2111	Basic Acoustics for Speech and Hearing ^h	3
GE CLAS Core: World Languages Third Level Proficiency or elective course ^d		4 - 5
RHET:1030 or ENGL:1200	Rhetoric: Writing and Communication or The Interpretation of Literature	3 - 4
Hours		17-19

Spring

CSD:3113	Introduction to Hearing Science ⁱ	4
CSD:3118	Language Acquisition ⁱ	3
GE CLAS Core: Understanding Cultural Perspectives ^j		3
GE CLAS Core: World Languages Fourth Level Proficiency or elective course ^d		4 - 5
Elective course ^g		1
Hours		15-16

Third Year

Fall		
CSD:3185	Hearing Loss and Audiometry ^h	3
CSD:4140	Manual Communication ^{h, k}	1
CSD:4145	Developmental Language Disorders ^h	3
Major: group A psychology course ^e		3
GE CLAS Core: Values and Society ^j		3
Hours		13

Spring

CSD:3112	Anatomy and Physiology of Speech Production ⁱ	4
CSD:4029	Experiential Learning in Audiology ^{i, k}	1
CSD:4244	Rehabilitative Audiology ⁱ	3
Major: group B psychology course ^e		3
GE CLAS Core: Historical Perspectives ^j		3
Hours		14

Fourth Year

Fall		
CSD:3116	Basic Neuroscience for Speech and Hearing ^h	3
CSD:4030	Experiential Learning: Community Engagement Through Communication and Literacy Programs ^k	2 - 3
GE CLAS Core: International and Global Issues ^j		3
GE CLAS Core: Literary, Visual, and Performing Arts ^j		3
Elective course ^g		3
Hours		14-15

Spring

CSD:3117	Psychology of Language ⁱ	3
CSD:4030	Experiential Learning: Community Engagement Through Communication and Literacy Programs ^k	2 - 3
CSD:4120	Introduction to Clinical Methods and Observation ^{k, l}	3
CSD:4148	Developmental Speech Disorders ⁱ	3
Elective course ^g		3
Elective course ^g		3
Degree Application: apply on MyUI before deadline (typically in February for spring, September for fall) ^m		
Hours		17-18
Total Hours		121-130

should apply for a degree for the session in which all requirements will be met. For any questions on appropriate timing, contact your academic advisor or Degree Services.

- a Sustainability must be completed by choosing a course that has been approved for Sustainability AND for one of these General Education areas: Natural Sciences; Quantitative or Formal Reasoning; Social Sciences; Historical Perspectives; International and Global Issues; Literary, Visual, and Performing Arts; or Values and Society.
- b Students intending to pursue AuD should consider MATH:1460.
- c Enrollment in math courses requires completion of a placement exam.
- d Students who have completed four levels of a single language or two levels of two different languages in high school or college have satisfied the GE CLAS Core World Languages requirement. Students who have completed three levels of a single language may complete a fourth-level course in the same language or may choose an approved World Language and Cultural Exploration course. Enrollment in world languages courses requires a placement exam, unless enrolling in a first-semester-level course. Contact your academic advisor or CLAS Undergraduate Programs Office with questions concerning the World Languages requirement.
- e See General Catalog for list of approved courses.
- f Students should choose a course that will also fulfill the GE CLAS Core Natural Sciences requirement.
- g Students may use elective courses to earn credit towards the total s.h. required for graduation or to complete a double major, minors, or certificates.
- h Typically this course is offered in fall semesters only. Check MyUI for course availability since offerings are subject to change.
- i Typically this course is offered in spring semesters only. Check MyUI for course availability since offerings are subject to change.
- j GE CLAS Core courses may be completed in any order unless used as a prerequisite for another course. Students should consult with an advisor about the best sequencing of courses.
- k Recommended but not required to complete Speech and Hearing Science BA degree requirements.
- l Students have the opportunity and are encouraged to obtain 25 hours of supervised clinical observation, a prerequisite for participation in clinical practicums at the graduate level. This requirement is satisfied by completion of CSD:4120 Introduction to Clinical Methods and Observation. In some cases, this requirement also can be fulfilled by independent observations.
- m Please see Academic Calendar, on Office of the Registrar website, for current degree application deadlines. Students
