Speech and Hearing Science, BA

Academic Plans

Four-Year Graduation Plan

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on the university's Four-Year Graduation Plan. Courses in the major are those required to complete the major; they may be offered by departments other than the major department.

The major requires specific mathematics and science competencies that may be satisfied with courses approved for the GE CLAS Core.

Before the fifth semester begins: three courses in the major.
Before the seventh semester begins: nine courses in the major and at least 90 s.h. earned toward the degree.
Before the eighth semester begins: 12 courses in the major.
During the eighth semester: enrollment in all remaining coursework in the major, all remaining GE CLAS Core courses, and a sufficient number of semester hours to graduate.

Sample Plan of Study

Sample plans represent one way to complete a program of study. Actual course selection and sequence will vary and should be discussed with an academic advisor. For additional sample plans, see MyUI.

Speech and Hearing Science, BA

Course Title Hours

Academic Career
Any Semester
GE CLAS Core: Sustainability

First Year
Fall
CSD:1015 Introduction to Speech and Hearing Processes and Disorders 2
MATH:1460 Calculus for the Biological Sciences 4
or MATH:1440

RHET:1030 Rhetoric or The Interpretation of Literature 3 - 4
or ENGL:1200
GE CLAS Core: Diversity and Inclusion 3
GE CLAS Core: World Languages First Level Proficiency or elective course 4 - 5
CSI:1600 Success at Iowa 2

Spring
PSY:1001 Elementary Psychology 3
Major: physics or chemistry course 3 - 4

ENGL:1200 The Interpretation of Literature or RHET:1030 3 - 4
GE CLAS Core: World Languages Second Level Proficiency or elective course 4 - 5
Elective course 1

Second Year
Fall
CSD:2110 Phonetics: Theory and Applications 3
CSD:2111 Basic Acoustics for Speech and Hearing 3
LING:3001 Introduction to Linguistics 3
GE CLAS Core: World Languages Third Level Proficiency or elective course 4 - 5
Elective course 1

Spring
CSD:3113 Introduction to Hearing Science 4
CSD:3118 Language Acquisition 3
BIOL:1141 Human Biology: Health Professions 4
GE CLAS Core: World Languages Fourth Level Proficiency or elective course 4 - 5
Elective course 1

Third Year
Fall
CSD:3185 Hearing Loss and Audiometry 3
Major: group A psychology course 3
GE CLAS Core: Historical Perspectives 3
GE CLAS Core: Values and Culture 3
Elective course 3 - 4

Spring
CSD:3112 Anatomy and Physiology of Speech Production 4
CSD:3117 Psychology of Language 3
Major: group B psychology course 3
Major: statistics course 3
Elective course 3 - 4

Fourth Year
Fall
CSD:3116 Basic Neuroscience for Speech and Hearing 3
CSD:4145 Developmental Language Disorders 3
GE CLAS Core: International and Global Issues 3
GE CLAS Core: Literary, Visual, and Performing Arts 3
Elective course 3 - 4

Spring
CSD:4148 Developmental Speech Disorders 3
CSD:4244 Rehabilitative Audiology 3
CSD:4120 Introduction to Clinical Methods and Observation 3
Elective course 3
Elective course

Degree Application: apply on MyUI before deadline
(typically in February for spring, September for fall)

Total Hours 125-135

a Sustainability must be completed by choosing a course that has been approved for Sustainability AND for one of these General Education areas: Natural Sciences; Quantitative and Formal Reasoning; Social Sciences; Historical Perspectives; International and Global Issues; Literary, Visual, and Performing Arts; or Values and Culture.

b Students intending to pursue AuD should consider MATH:1460.

c Enrollment in math courses requires completion of a placement exam.

d GE CLAS Core courses may be completed in any order unless used as a prerequisite for another course. Students should consult with an advisor about the best sequencing of courses.

e Students who have completed four levels of a single language or two levels of two different languages in high school or college have satisfied the GE CLAS Core World Languages requirement. Students who have completed three levels of a single language may complete a fourth-level course in the same language or may choose an approved World Language and Cultural Exploration course. Enrollment in world languages courses requires a placement exam, unless enrolling in a first-semester-level course. Contact your academic advisor or CLAS Undergraduate Programs Office with questions concerning the World Languages requirement.

f See General Catalog for list of approved courses.

g Students should choose a course that will also fulfill the GE CLAS Core Natural Sciences requirement.

h Students may use elective courses to earn credit towards the total s.h. required for graduation or to complete a double major, minors, or certificates.

i Typically this course is offered in fall semesters only. Check MyUI for course availability since offerings are subject to change.

j Typically this course is offered in spring semesters only. Check MyUI for course availability since offerings are subject to change.

k Students have the opportunity and are encouraged to obtain 25 hours of supervised clinical observation, a prerequisite for participation in clinical practicums at the graduate level. This requirement is satisfied by completion of CSD:4120 Introduction to Clinical Methods and Observation. In some cases, this requirement also can be fulfilled by independent observations.

l Please see Academic Calendar, Office of the Registrar website for current degree application deadlines. Students should apply for a degree for the session in which all requirements will be met. For any questions on appropriate timing, contact your academic advisor or Degree Services.
