49-53

a Students must complete specific requirements in the University of Iowa Graduate College after program admission. Refer to the Graduate College website and the Manual of Rules and Regulations for more information.

b Graduate College program GPA is comprised of all courses that are approved degree requirements. If a student takes more than the minimum required number of semester hours to complete the degree, but all courses taken are eligible to count toward the degree, those courses will be included in the Graduate College program GPA.

c Complete at least 12 s.h. total of practicum credit.

d Complete a total of at least 5 s.h. from CSD:5304, CSD:5305, CSD:5306, CSD:5307.

e See the General Catalog for list of approved courses.
