Sample plans represent one way to complete a program of study. Actual course selection and sequence will vary and should be discussed with an academic advisor. For additional sample plans, see MyUI.

Informatics, Minor

Course | Title | Hours
--- | --- | ---
**Academic Career**

**Any Semester**
The informatics minor requires a minimum of 16 s.h. of coursework, including at least 12 s.h. of courses taken at the University of Iowa.

Students must earn a C-minus minimum grade in prerequisite courses to advance to the subsequent course.

Several informatics courses are offered only in the fall or spring terms.

For assistance sequencing the minor given the irregular course offerings and prerequisite structure, see the computer science departmental advisor.
