Dance, BA

Honors

Honors in the Major

Majors who maintain a Department of Dance grade-point average (GPA) of at least 3.50 and a UI GPA of at least 3.33 are encouraged to pursue honors in dance. Although it is not necessary for students pursuing honors in dance to be members of the University of Iowa Honors Program, earning honors in dance does satisfy the experiential learning component (“learning by doing”) of the UI Honors Program.

Students who graduate with honors in their major receive special recognition during commencement, and their transcript and diploma reflect honors designations.

Graduation with honors in dance requires successful completion of 8–10 s.h. of University of Iowa honors courses or honors contract courses in the Department of Dance and successful completion of an honors project.

University of Iowa Honors Program

In addition to honors in the major, students have opportunities for honors study and activities through membership in the University of Iowa Honors Program. Visit Honors at Iowa to learn about the university's honors program.

Membership in the UI Honors Program is not required to earn honors in the dance major.
