Dance, B.F.A.

Academic Plans

Four-Year Graduation Plan

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on the University's Four-Year Graduation Plan. Courses in the major are those required to complete the major; they may be offered by departments other than the major department.

Department of Dance coursework beyond 82 s.h. for B.F.A. students does not apply toward semester hours required for graduation.

Before the third semester begins: 16 s.h. of coursework in the major.

Before the fifth semester begins: 25-40 s.h. of coursework in the major.

Before the seventh semester begins: 45-60 s.h. of coursework in the major and at least 90 s.h. earned toward the degree.

Before the eighth semester begins: 57-75 s.h. of coursework in the major.

During the eighth semester: enrollment in all remaining coursework in the major, all remaining GE CLAS Core courses, and a sufficient number of semester hours to graduate.

Sample Plan of Study

Sample plans represent one way to complete a program of study. Actual course selection and sequence will vary and should be discussed with an academic advisor. For additional sample plans, see MyUI.
