Financial Support

Graduate scholarships, fellowships, and teaching and research assistantships are awarded on a competitive basis. The department strives to provide five years of support for students who enter with an MA and six years of support for students who enter with a BA. Students must be in good standing, which requires a University of Iowa grade-point average of at least 3.00, full-time enrollment, and satisfactory progress through the program.

Financial aid applications are considered only from students who have applied or been admitted to a degree program in the Graduate College. Applications and all necessary supporting material must be submitted by the end of January for the following academic year. Forms are available from the Department of English Graduate Studies Office.
