

Ethics and Public Policy, B.A.

Career Advancement

The ethics and public policy major provides an ideal background for law school. It brings an important background to legal studies in fields that both explicitly and implicitly arise in the context of pursuing a J.D. degree. The study of reasoning, an important component of the major, is useful in preparing for the Law School Admission Test (LSAT), the Graduate Management Admission Test (GMAT), and the Medical College Admission Test (MCAT). The major also prepares students to bring a sophisticated, cross-disciplinary perspective to diverse fields such as government, urban and regional planning, social work, and business.

The Pomerantz Career Center offers multiple resources to help students find internships and jobs.
