Gender, Health, and Healthcare Equity, Minor

Health care evolves continually, and capable professionals will continue to be in high demand. In order to meet the national and international challenges posed by a rapidly changing field, people must be knowledgeable, able to innovate, and willing to learn. Upon completion of the minor in gender, health, and healthcare equity, students will possess the knowledge and skills necessary to think critically about the complex intersections of gender, race, sexuality, and class in relation to health, illness, and health care.

Requirements

The undergraduate minor in gender, health, and healthcare equity requires a minimum of 15 s.h. of coursework, including at least 12 s.h. completed at the University of Iowa. Students must maintain a grade-point average of at least 2.00 in all courses for the minor and in all UI courses for the minor. Coursework for the minor may not be taken pass/nonpass.

Students may count a maximum of 3 s.h. from another University of Iowa major, minor, or certificate toward the gender, health, and healthcare equity minor.

The minor in gender, health, and healthcare equity requires the following coursework.
